 Summer

Cindy (Cyn),

Hi! Where to start is a hard thing to decide. I guess I'll start by saying this year has been a trying one for both of us. Both of us trying to spread our wings and grow up some. I appreciate you being there for me when I needed you and I hope I was there when you needed me. Thanks for all the support, advice, and (friendship) caring you gave me while I went out with Brent. I guess after Brent & I broke up, we started to change. For the good I feel. You too are changing for the good ~~and~~ but. I know that we are growing in to separate direction. I know we will always be friends, just some days better than others. Well before I run out of room. I do value your friendship even though some days I don't act like it. Take Care & I hope to see you this summer! Love ya lots,
Jennifer

BLUE VALLEY

LIVE

IN CONCERT

Blue Valley High School
Stanley, Kansas
Volume XVI
1985-1986

BV - On the right track !

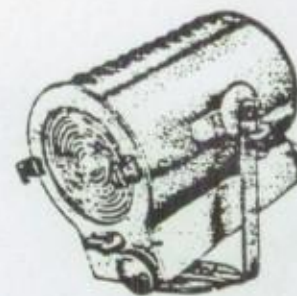

Blue Valley was definately LIVE throughout the 1985-86 school year. The year's theme was " ON THE RIGHT TRACK " and Blue Valley accomplished that.

School Spirit was apparent all over. Black-n-gold in every hallway. Tee-shirts, pencil and license plates were sold all year long. The students came to all the games with an excited and energetic attitude ready to root for Blue Valley.

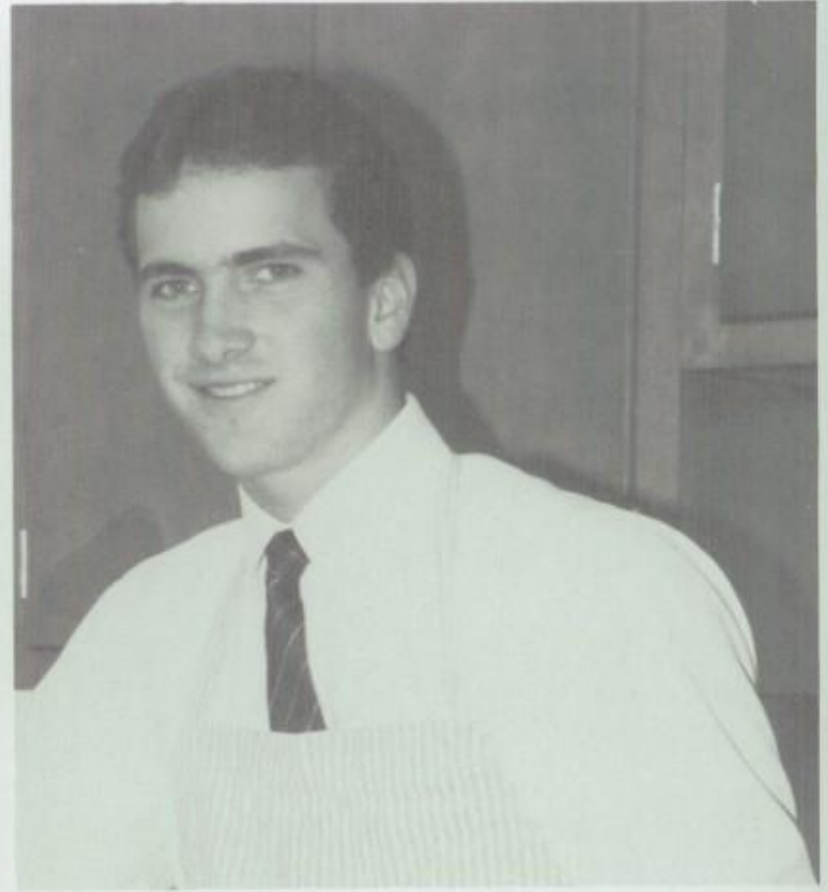

Student Council (StuCo) was constantly planning activities for the students. Everything from school dances, to fund raisers, to tailgate parties. The fun never stopped.

The year 1985-86 was definately known for its overcrowding. The halls were jam packed with students. The only good thing about the overcrowding was that the school

continued on page 5

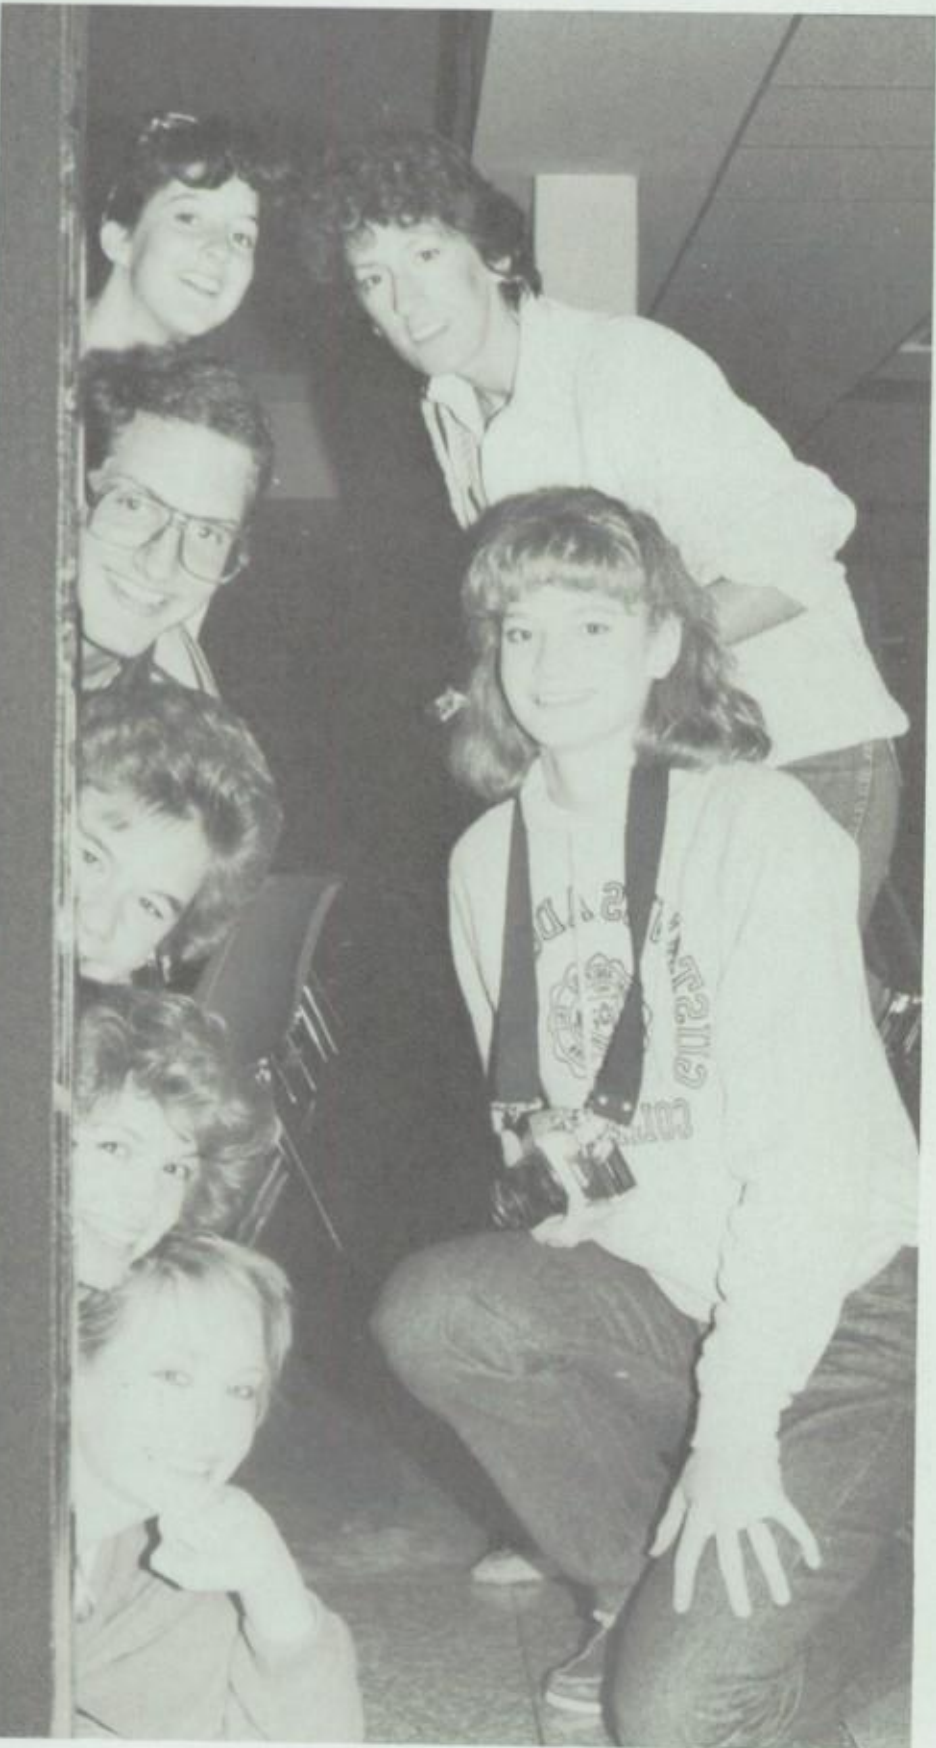

continued from page 2

was so cold all the time that the only heat we got was body heat. It was also a good way to meet people because you were very close to them.

Even though the seniors lost their "open lunch", they gained a senior lounge, their own outdoor patio and a new senior parking lot. All the seniors did not like the situation they were in, but they did not let it ruin their last year either. They pulled their pranks and made sure they had fun no matter what they did.

Knowing that after this year that the juniors, sophomores and freshmen would be split because of the new high school

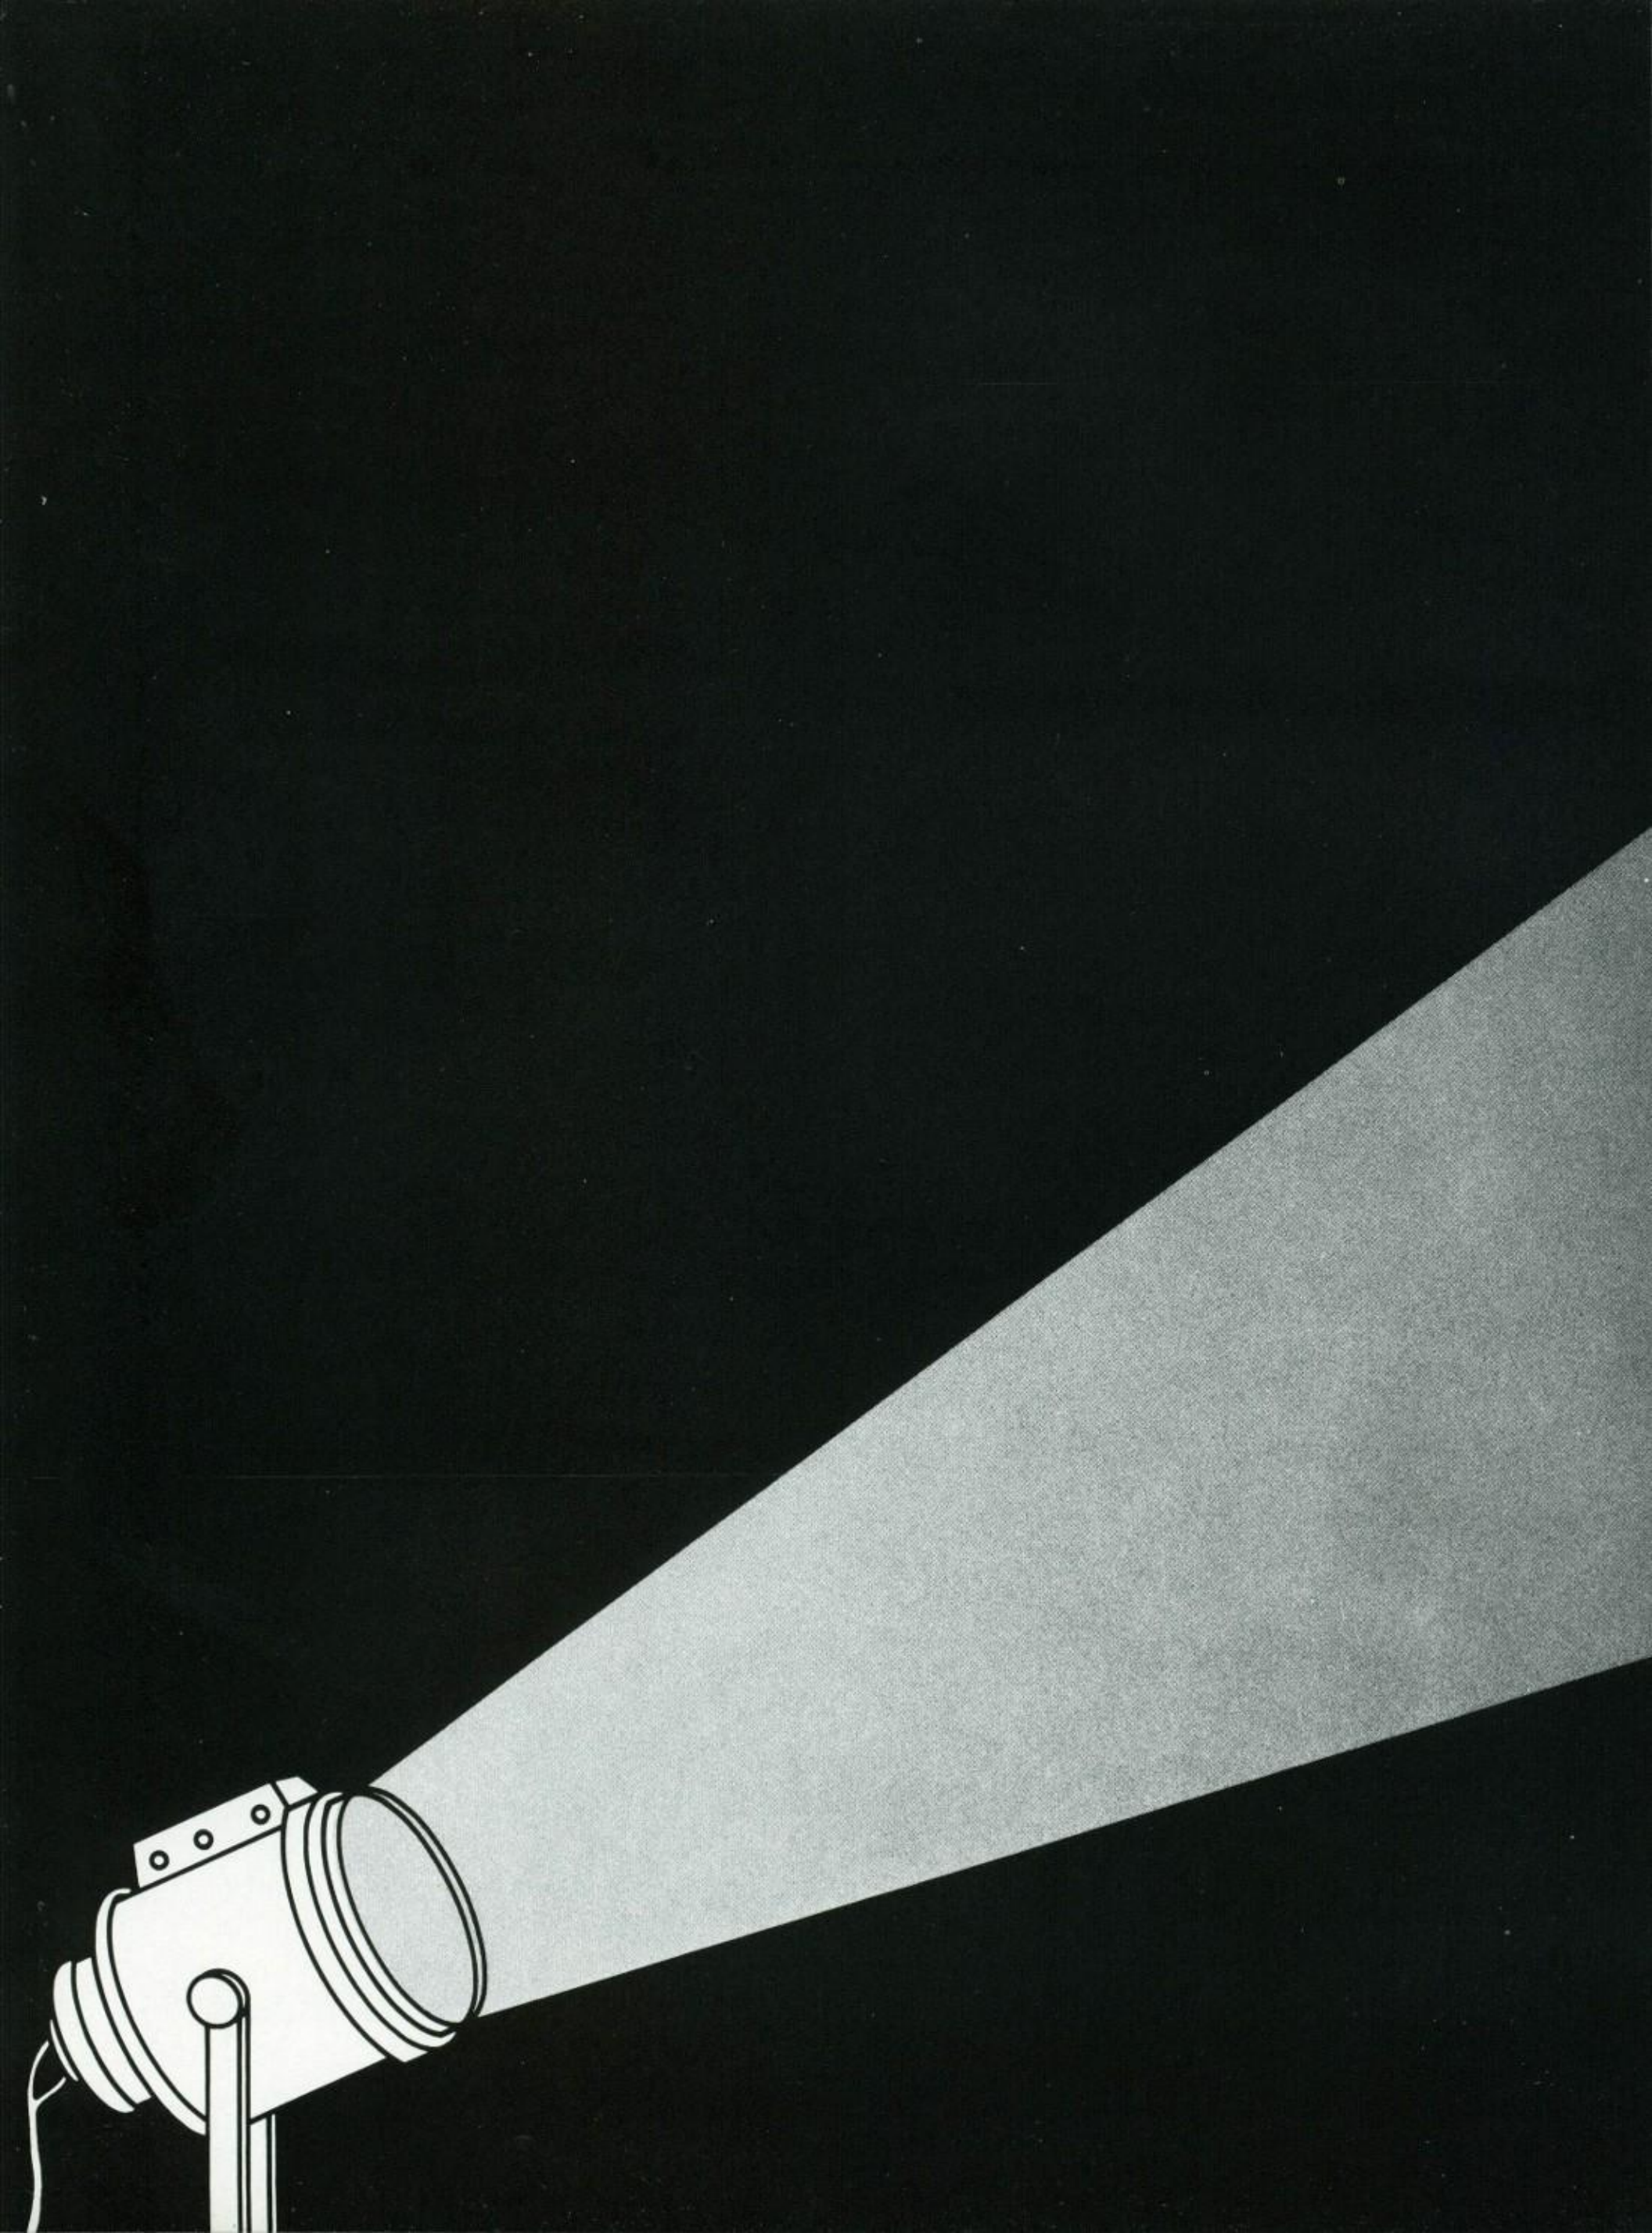

brought the classes even closer together. Students kept introducing themselves to new students and making new friends because no matter what, they would not let the school splitting get them down. People did not do anything by themselves. They were always in groups laughing, giggling, telling secrets, and even talking about school and homework. From years past they were the so called "in groups", but in the year 1985-86 those groups seemed to fade away and people fit in with much more ease. The stereotypes were not there.

They still partied together, went to the movies together, cruisin' and shoppin' together. Many more students got involved with school related activities than before. Many wanted the experience of being in charge, but others wanted the friendships that they made from getting involved. It was the year for some of these students at BV, and they wanted to make it the best year yet.

Take a few moments now to remember the good times and activities we were in during the 1985-86 school year.

Seniors

Friendship . . . the best memory

Class Of 1986

The class of 1986 has many memories of Blue Valley. From our first days as freshman to our graduation, our best memories are of the times we spent with our friends.

As freshmen we withstood our initiation by the upper classmen, and by our sophomore year we were well into the routine of high school—doing homework, going to sports' events and going to parties. Most of our junior year was spent trying to be a senior—parking in their lot and going out to lunch without getting caught.

Our senior year was our greatest challenge and our greatest reward. We struggled through Government and Senior English. One of our challenges became one of our rewards. The revoking of open lunch gave us time in the senior lounge to talk and become much closer. The T.V. and VCR gave us time to catch up on our favorite soaps and movies. The stereo system, the senior gift, added to our enjoyment during lunch.

Cindy.

Will this be the last time you'll see me unless you take a road trip up to KSL. It's the best!

No matter what other memories we may have of Blue Valley, we, the class of 1986, will always have one memory in common ... time spent with our friends.

I hope you have a great summer working at Hardus or wherever and a sweet next year

The Way We Were

Growing up together

The class of 1986 has grown up over the years. We were the first class to be separated in middle school since Leawood Middle School opened the beginning of our 8th grade year. We will be the last class to graduate from Blue Valley as one class.

During middle school many seniors can remember such things as; raising our hand at lunch so we were able to get up, not being allowed to hold hands in the halls, not being allowed to congregate in the locker area before school, waiting in line by class to go into lunch, eighth hours, and not being allowed to wear shorts. It was during middle school that we learned to have school spirit and the importance of friendship.

Over the years we have kept those friendships, and we have also made new ones. This is just a glimpse of the way we were.

This is how a few of the seniors appeared in the Cardinal Yearbook when they were in sixth grade. We think you can recognize them but, we will give you a hint. Row 1: D.M., D.I., M.D., L.H. Row 2: A.L., K.R., T.W., S.S. Row 3: R.C., G.B., M.Y., S.S.

FRAGRANCE

Inspired styles are updated

Picture yourself walking through the crowded halls of Blue Valley and all around are students who look like they just walked out of a fashion magazine. That was the look of students in the hallways this year. Inspired by the movie **Amadeus**, many seniors wore Baroque jewelry, paisley prints, and stir-up pants. Swatch Watches became an important accessory. Rich colors, which were both bright and bold, were popular. Students also veered away from traditional hairstyles to create their own unique look.

Many kept traditional looks wearing polo's, oxfords, penny loafers, and khakis. Whatever students wore the hallways were filled with unique fashion styles.

The Most

Who had "the most" in the class of 1986?

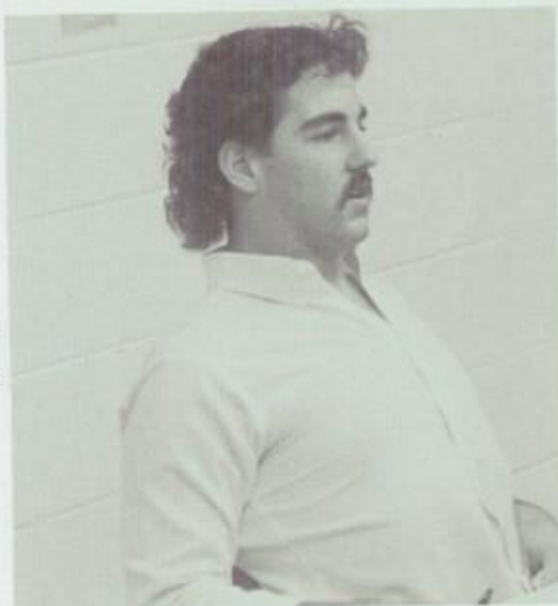

Who won the titles of "the most" in the class of 1986? The results of the voting are shown below. Last fall seniors had the opportunity to vote for the senior boy and girl who was the "most" in several categories.

Yearbook photographers had the challenge of photographing the winners without their knowledge. Many of the expressions we captured were just the opposite of the "most" title they had won. We thought you would enjoy seeing these winners as they really are.

The winners are: Most Likely to Succeed — Rob Conway and Tisha Turner; Class Clown — John Shaffer and Becky Lumianski; Most Friendly — Mike Young and Debbie Brenton; Best Athlete — Dan Miller and Mary Deveney; Best Smile — Eric Miller and Tina Truscott; Most School Spirit — Jeff Warren and Katie Walbaum.

Juniors

CLASS OF 1987

Juniors Faced A Challenging Year

Although prom was an important part of the junior year, the sentiments felt towards the splitting of the class were more important. Some felt ready for the challenge of going to Blue Valley North. Emily Volk said, "It will be a lot of fun, but I will keep in touch with everyone here." Others felt it was an unjust action. Kristin Kisse and Angie Forgy said, "It was unfair that we had to be split our senior year." Still, other students felt indifferent. "I'm going to miss people, but it has to happen," commented Scott Mansker. "Other schools have done it. Why can't we?" The Blue Valley junior Tigers were all united for their last year together. Said Jennifer Campbell, "There were no outcasts because we knew this was our last year together to have fun, and we certainly did by going to all the games."

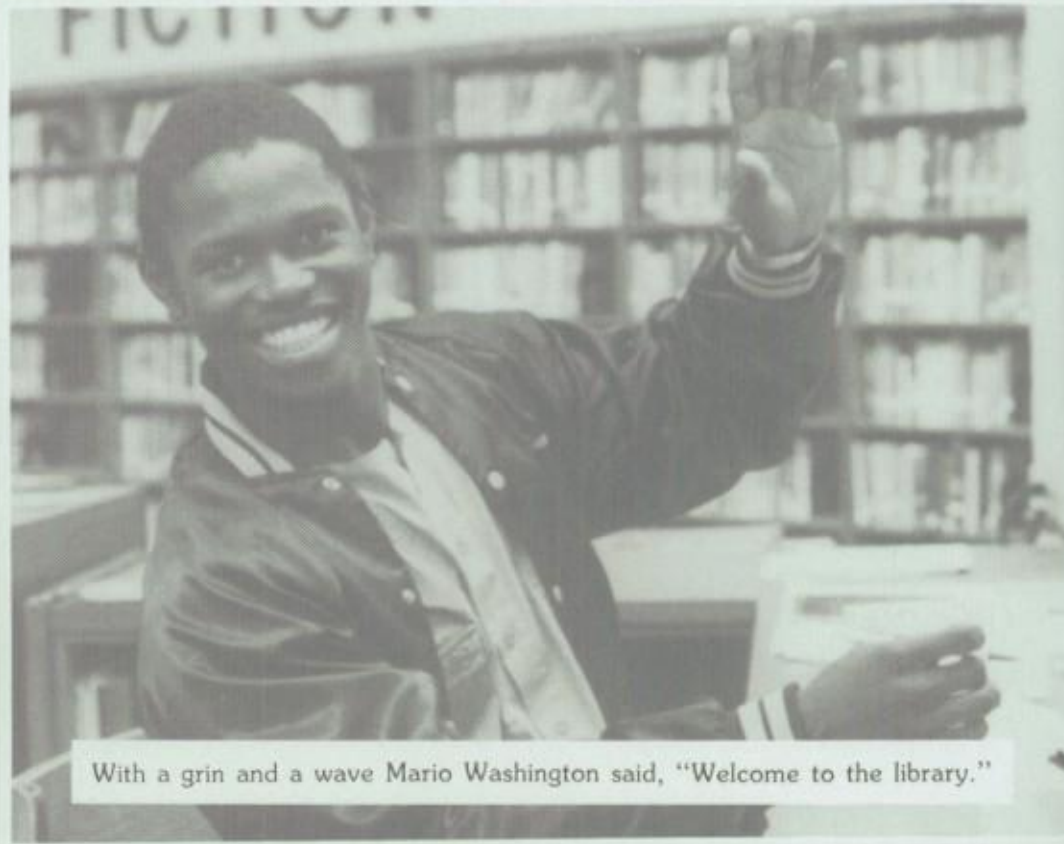

"Is this English or Spanish?" asked Julian Merino.

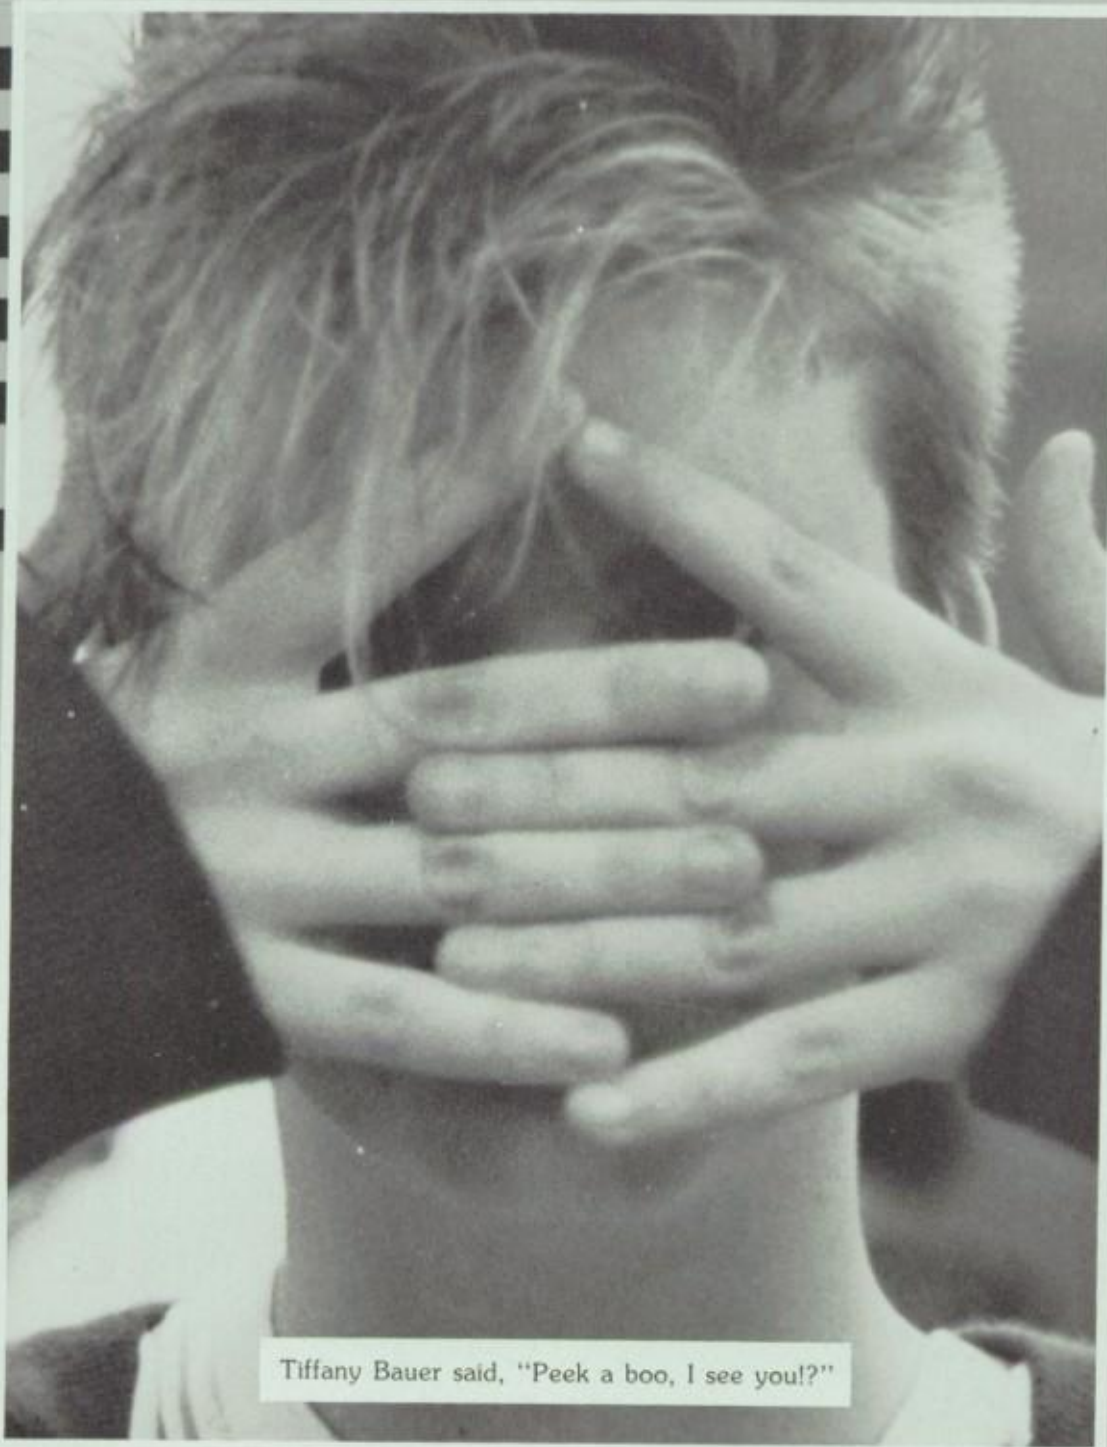

Junior class officers: G. Huber, Treas., N. Kissel, Adv., T. Keller, Sec., A. Barney, V. Pres., and N. Levitan, Pres.

Stephanie Carlson said, "Lunch is such a hectic time for me."

With a grin and a wave Mario Washington said, "Welcome to the library."

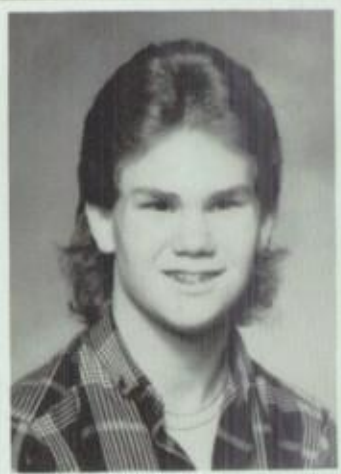

Tiffany Bauer said, "Peek a boo, I see you!?"

Rodney Olin said, "Gosh golly, I'm cute!"

ROCK'S INFLUENCE

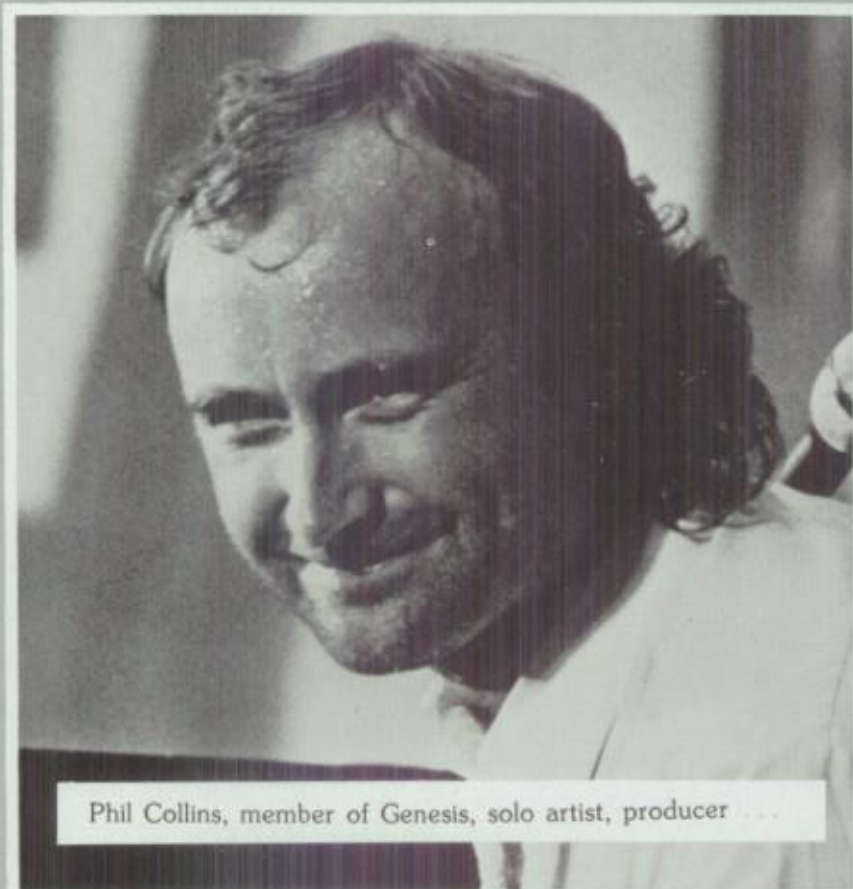

Rock Helped Express Social Concerns

Since its creation, rock has been used to bring people together for worthy causes. In December of 1984, Bob Geldof, lead singer for the Boomtown Rats, organized British stars for their single "Do They Know it's Christmas?" The money that was made from this single was donated to help the famine stricken families in Africa. Soon afterwards, the American USA for Africa was organized, also donating the money from their single "We Are the World." Then in July of 1985, both sides of the Atlantic merged to form Live Aid, a concert which took place in both America and Britain.

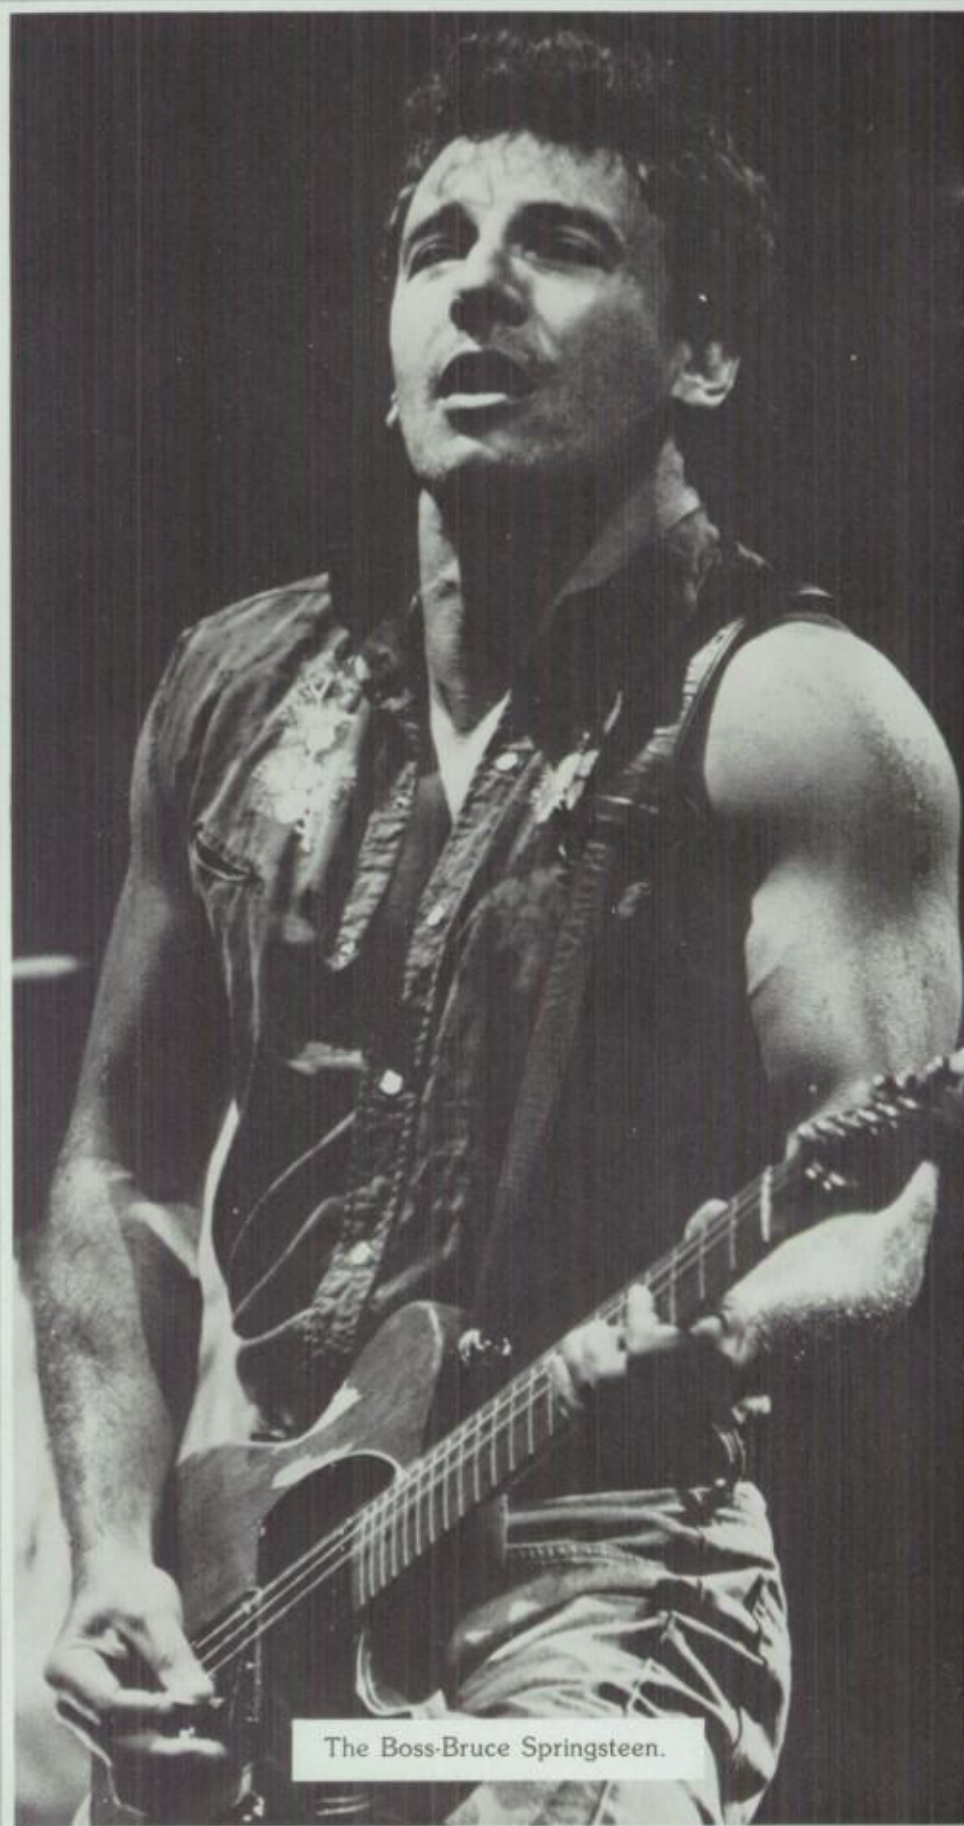

There has been work done for other charities also, such as AIDS, the growing ant-apartheid movement, and the country/rock merger Farm Aid. Rock has accomplished much in this past year, and hopefully someday none of this will be needed.

STUDENTS SENTIMENTS

How B.V. Students Feel About Themselves

Most students at Blue Valley have a definite idea of what other schools think of them. But surprisingly, the students at Blue Valley can't agree on what they are like. Bryan Rohrer claims that all B.V. students are "Fascists, stuck up snobs." But according to Jaime Bunton, "They're party animals who are fun and outgoing, caring, semi-rich, and cliquish." Seven out of eleven students interviewed either said Blue Valley students were stuck up or rich or both (along with being selfish). Mindy Goodman stated the B.V. students are "unjustly judgemental." Karin Kreiser said, "We're different in our own way. Some are nice and some are snobs."

Sophomores

CLASS OF 1988

Sophomore Memories; A Look Back

This sophomore year was one of many changes. Students began to enjoy the pleasures of not getting picked on, or lost, and began to feel at home at Blue Valley, but this year brought about many changes for sophomores — a new cafeteria, a new auditorium, and a new vice principal. Popular movies were Pee Wee's Big Adventure and St. Elmo's Fire. Important concerts were Bryan Adams, Tina Turner, Night Ranger, and Jefferson Starship. Many sophomores will look back and remember the '85-'86 year as one full of spirit yet tinged with sadness about the impending split of the school. "I enjoyed this year; everyone grew closer and was part of our school." Nicole Stelle.

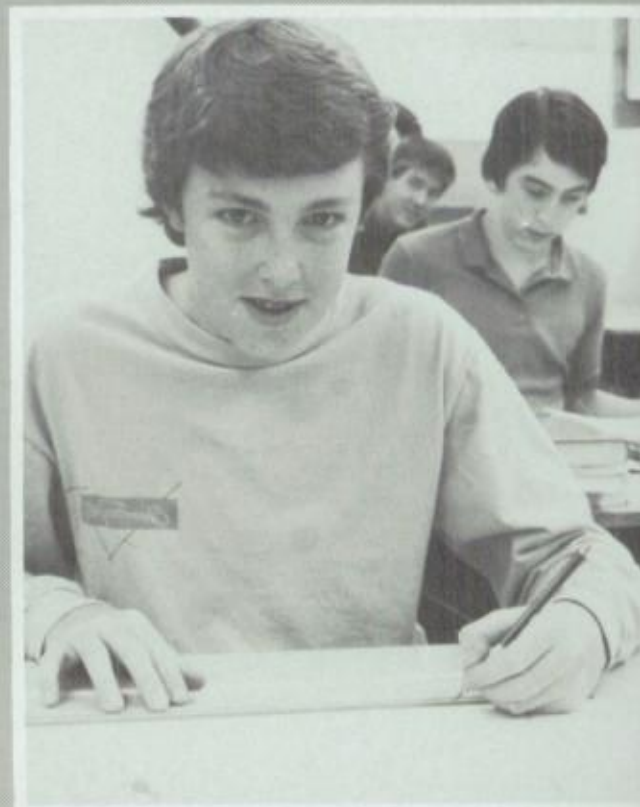

Class officers: Debbie Fushimi, Treasurer; Mark Majors, Secretary; Mr. Geraci, Sponsor; Brad Elliott, Vice President; Bill Frey, President.

Do you have to take all the cards, Heather?

SOPHOMORE STUDENT GOVERNMENT

The Sophomore Student Government

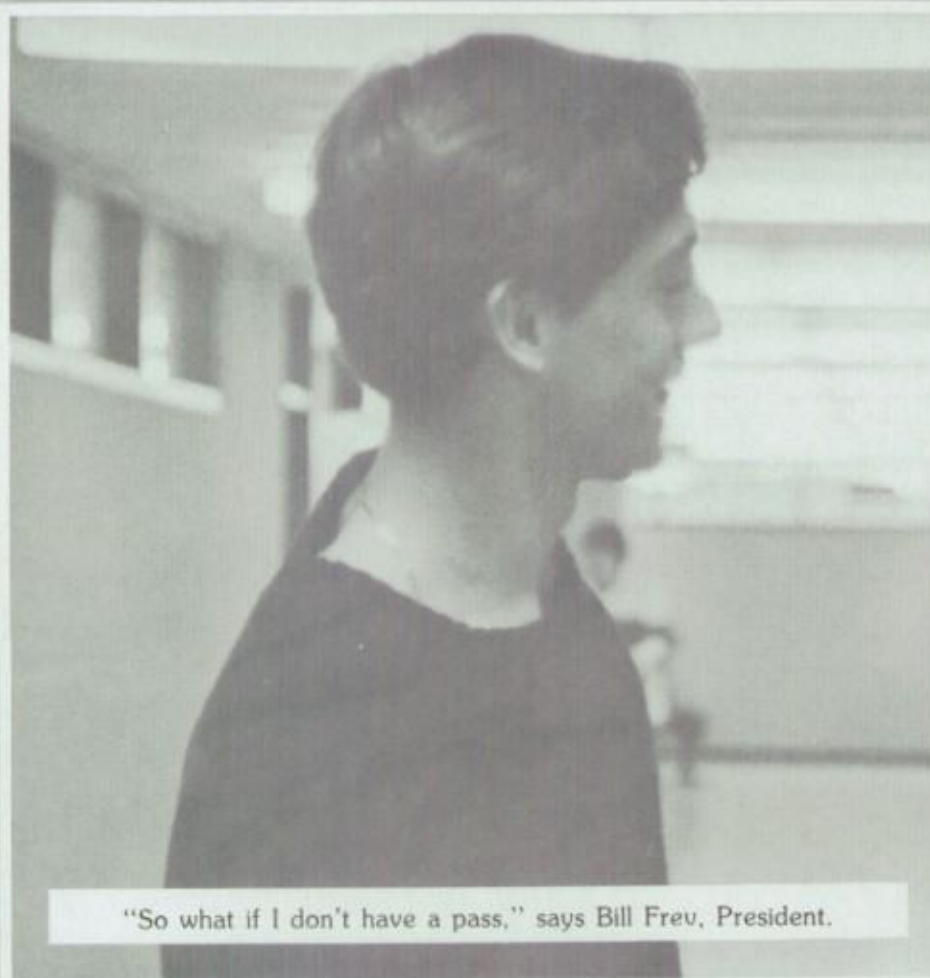

In the spotlight this year was the sophomore student government-Bill Frey, President, Brad Elliott, Vice President, Debbie Fushimi, Secretary and Mark Majors, Treasurer. The common job they shared was creating ideas for fundraisers. Mark managed the money while Bill, Debbie and Brad did the organizing. Bill presented the classes' ideas to StuCo and the administration. Besides work done by the sophomore government, there was a need for volunteers in StuCo, the school-wide student government. Participating sophomores included Jane Kim, Celia Roth, Edy Goldblatt, Kim Dewey, Gretchan Starnes and Lori Robinson. These people worked hard to make the 85-86 year the best ever!

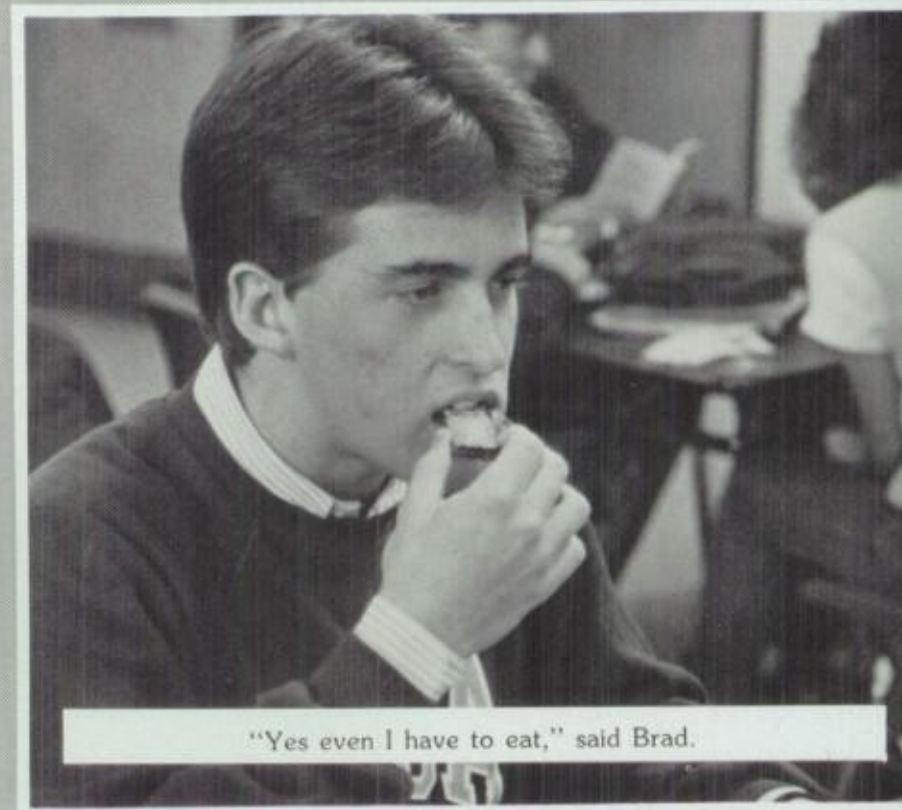

Sophomore Reps. Lori Robinson, Gretchan Starnes and Nicole Stelle pose for the camera.

"You want me to do what to raise money!?" asked Debbie.

"So what if I don't have a pass," says Bill Frey, President.

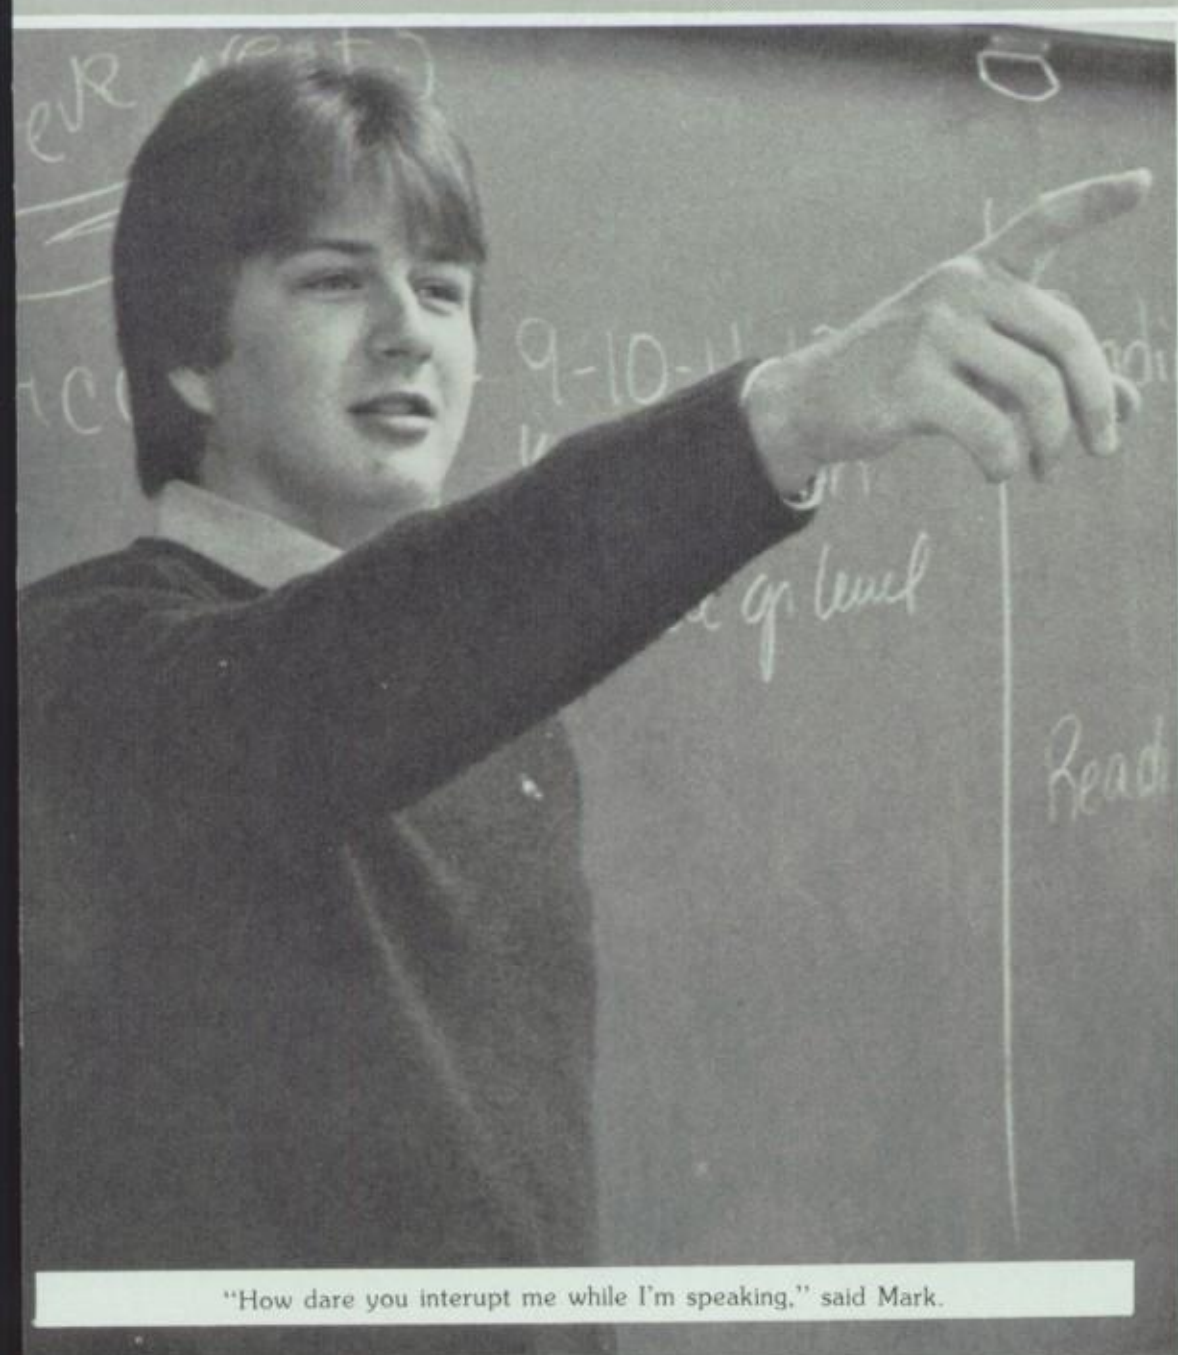

"Yes even I have to eat," said Brad.

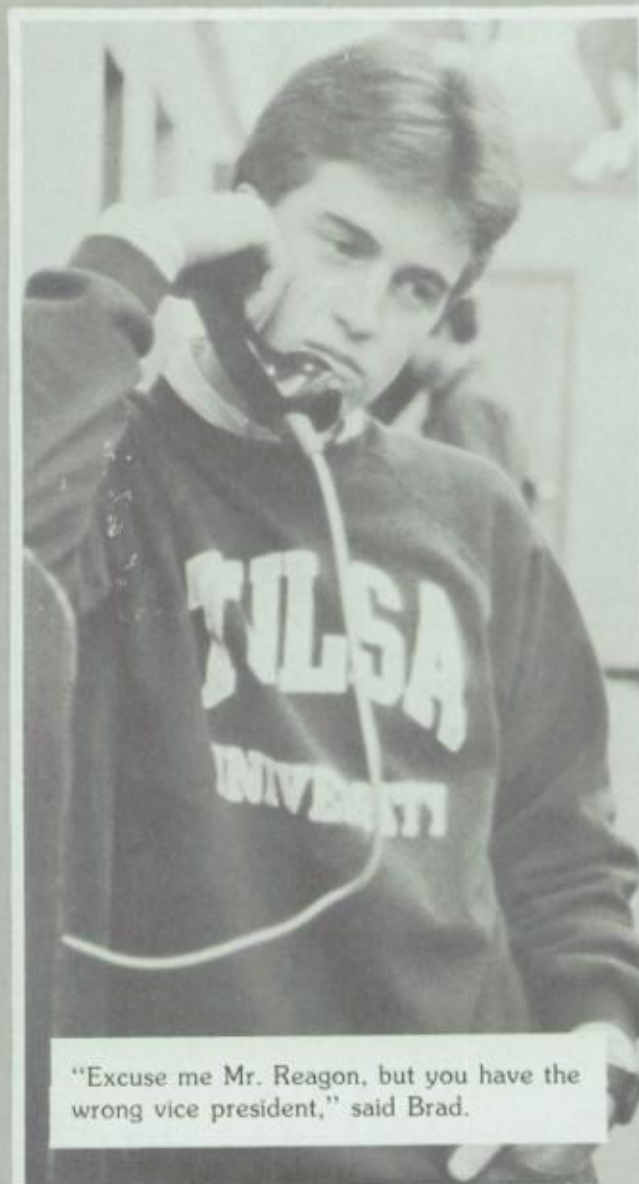

Jane and Celia, Sophomore Reps. discuss important business.

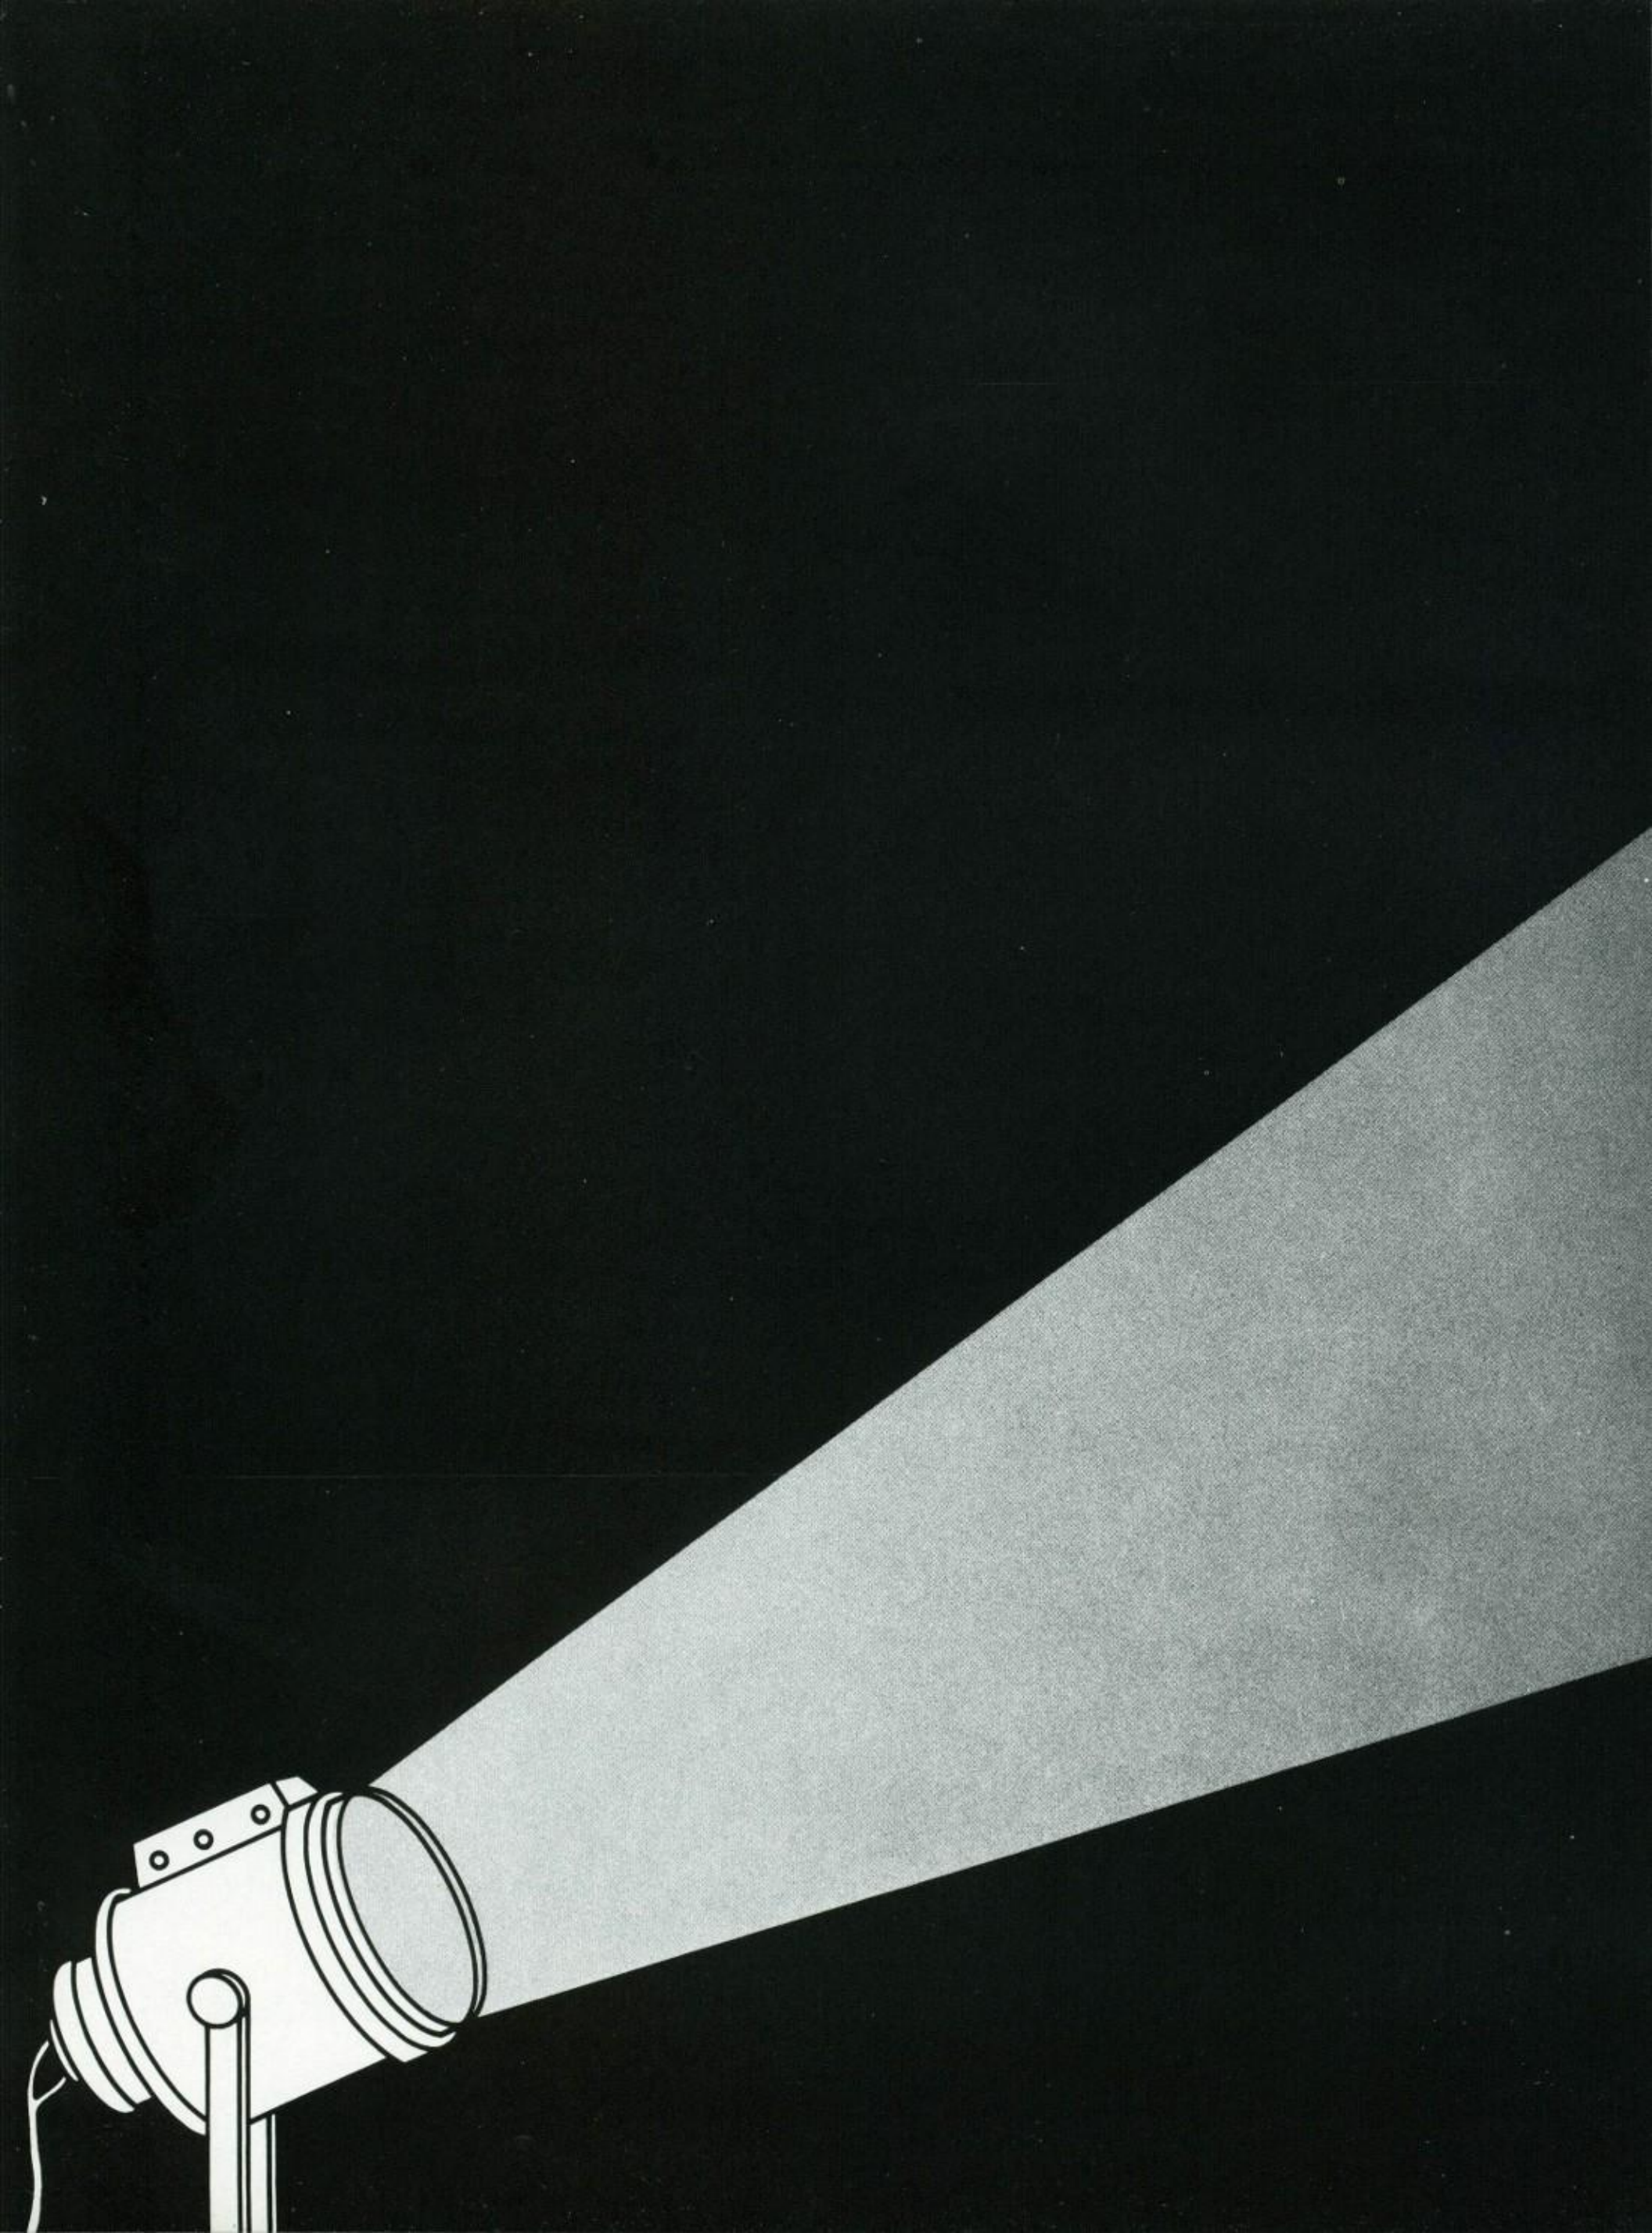

"Yes, I am glad I'm treasurer," said Debbie.

"How dare you interrupt me while I'm speaking," said Mark.

"Excuse me Mr. Reagon, but you have the wrong vice president," said Brad.

CLASS OF 1989

The First Year For The Class Of '89.

The freshmen entered the high school as the "little kids" in a "big school". However, since then, the freshmen have added to our school with enthusiasm and school spirit. The freshmen leaders Derek Brown Pres., Andy Wise V.P., Erin Kelly Sec., Angie Bryan Treas., under the authority of class sponsor Mr. West have already started raising money selling gift items by sponsoring a fund raiser. The freshmen adapted quickly to the rules and regulations of the high school. The class of 1989 was very independent and will, without a doubt, prosper in the future.

CHANGES

High School Vs. Middle School

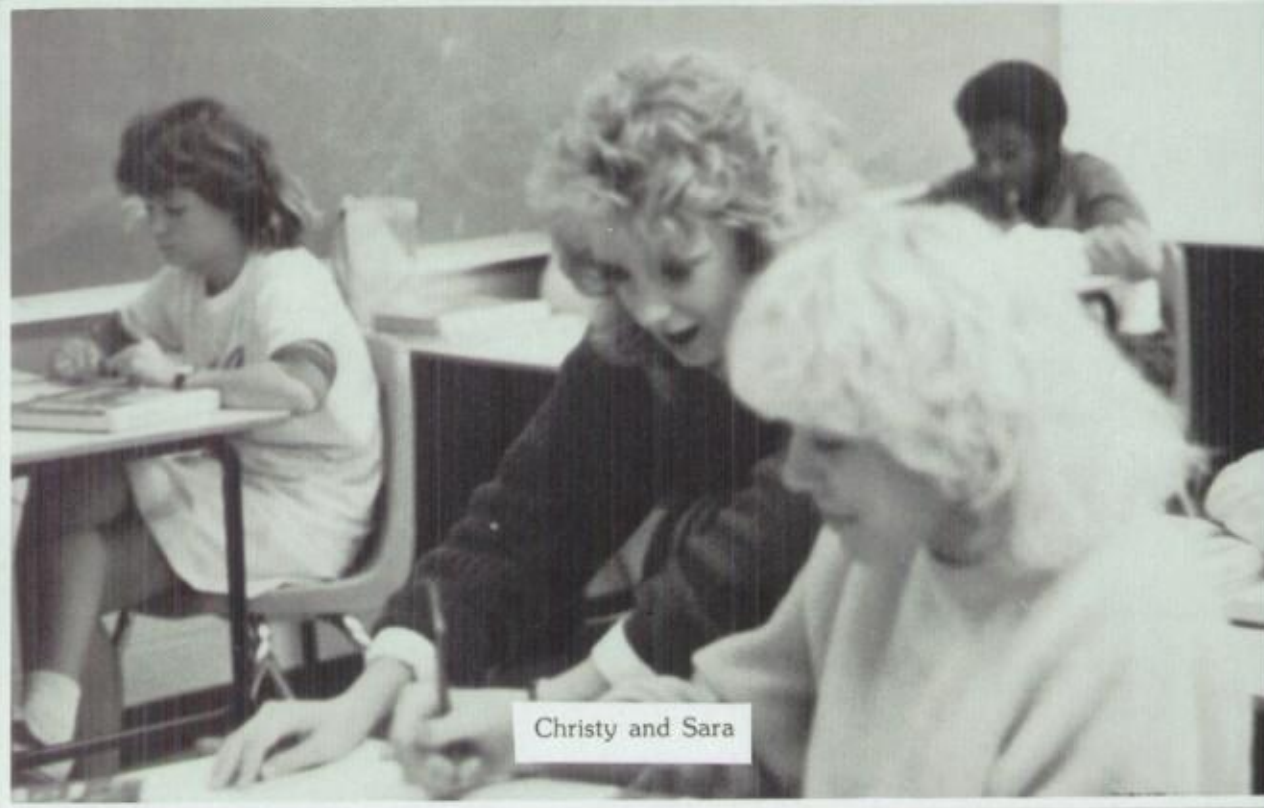

The freshmen were entering the "big school" with nothing except horror stories going through their heads. After a couple of weeks of adjustment, they found that the high school was not only bigger, but also better than the middle schools.

Most of the freshmen interviewed thought they had more responsibility. They had six minute breaks, activity period, and they could chew gum. Freshmen could walk to lunch without their teachers, they had more choices of food, and they didn't have to raise their hands to throw trash away.

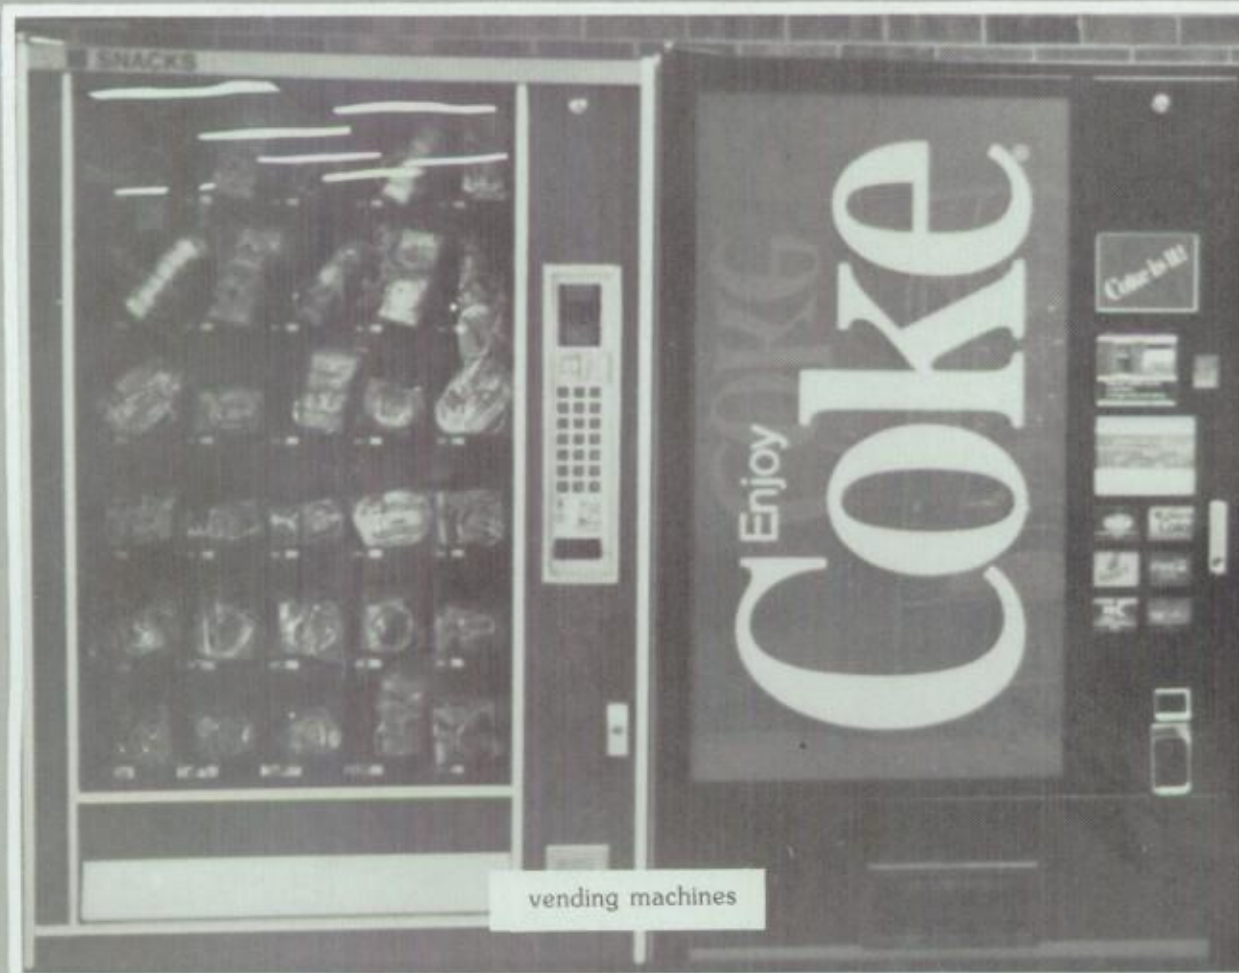

The freshmen enjoyed their first year of high school.

Faculty

Congratulations To The Class Of '86!

You have distinguished yourselves as an outstanding group of young people. We are very proud of your successes and look forward to your continuing accomplishments. The 1985-86 school year has been a very good one at Blue Valley High School. That has been possible because of the enthusiastic support and involvement of students, faculty, staff, and parents. The positive spirit of the students enabled the year to be a very productive one despite many challenges. We hope that the educational experiences provided to Blue Valley students will continue to be of the highest quality and that students will look back on their years at Blue Valley and feel accomplishments and satisfaction. Best wishes for your future successes!

Farewell To The Class Of 1986

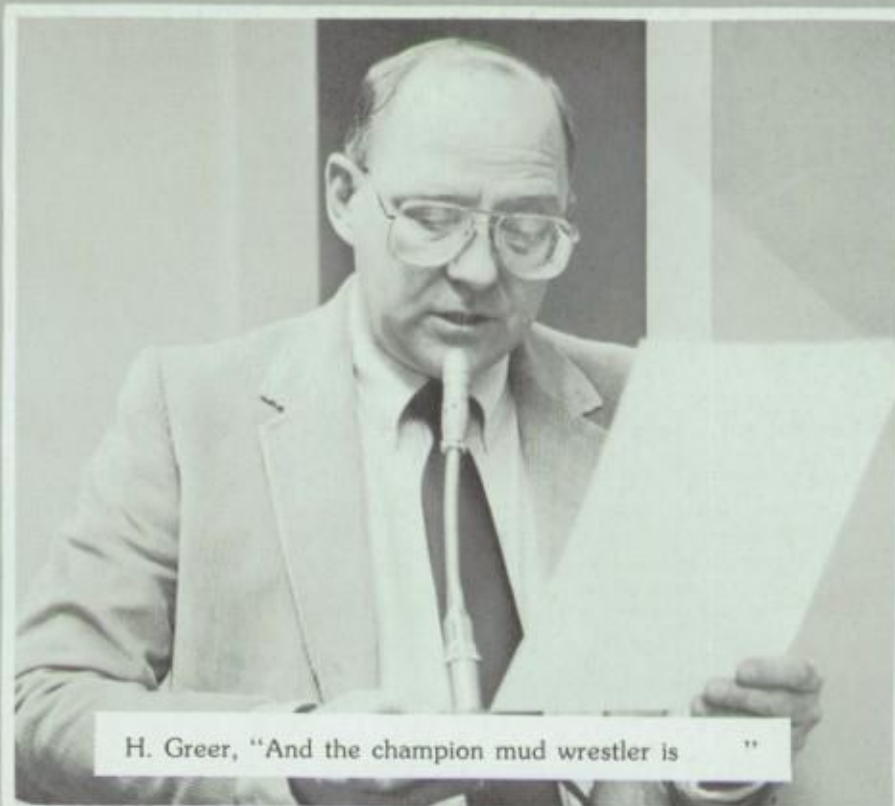

As spokesperson for the staff and administration, I would like to express our collective congratulations. It is through your efforts that Blue Valley High School identified and attained goals in both curricular and extracurricular endeavors. I sincerely thank you for consistently reminding us of traditions past, of address-issues in the present, and of sensitizing us to challenges yet to come. It is our hope that we have given you the skills that are needed to meet whatever the future has in store for you. Class of 1986, we wish you the best and know that you will succeed in all that you do.

FACULTY

CHERISH THEIR WORK

Imagine: moving an entire desk through crowded halls. For A. Carver, this was reality; she learned to maneuver a cart among 1500 students who raided halls each hour. J. Sim taught notehand 2nd hour in the commons, battling the sound of hammers and drills along with a journalism and German class. 13% of the teachers received the opportunity to instruct class in a mobile. Contrary to an average classroom, the mobiles had adjustable thermostats, carpet and windows. Regardless if class was held in a classroom, mobile or commons the faculty performed excellence.

Teachers Give A Little Extra

At times it seemed as though all the teachers were capable of doing was to give lectures, impossible tests, and seventh hours. But, of course, this was not true. Many teachers went out of their way and helped out with extra-curricular activities. This provided an opportunity to get to know the students on a more personal level than a classroom situation offered. After-school work was a rewarding experience for the teachers and students involved, whether the time was spent in a sport or sponsoring a special class.

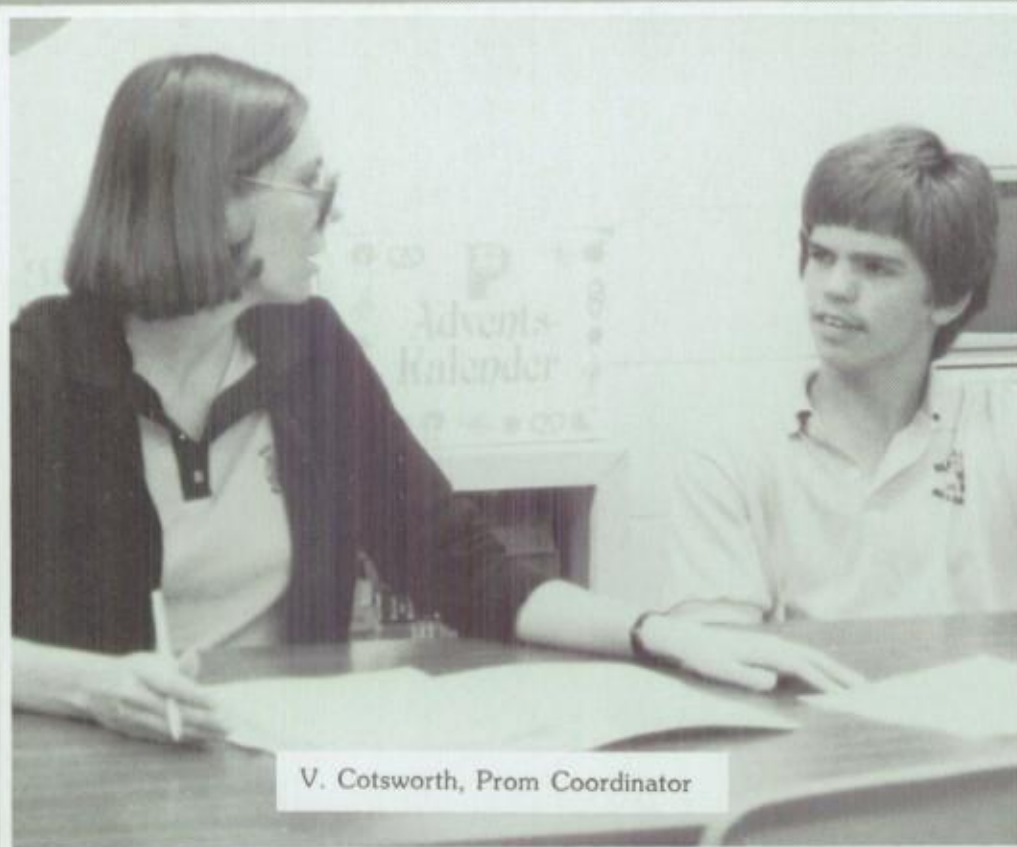

Through this work, teachers gained the satisfaction that comes from helping the students discover new ways to learn and to also enjoy the work and goals that they accomplished from cooperating with each other.

SUPPORT STAFF

Support Staff Helps Students

During the year, the support staff of Blue Valley High School contributed in improving your educational environment. For example, the librarians could always be relied upon helping search for last minute information, for a term paper due the next day. The nurse kept her cabinet stocked with aspirin to help cure the headache from late night studying. Meanwhile the counselors tried to adjust their tight schedules to discuss problems one had in conquering academic or social barriers. Even though students neglected to express their gratitude, we would like to say thanks to the tremendous effort which was given in supporting the student body.

"Help!"

While students attended school they basically had one responsibility - to perform well. Other chores were left up to a few. The cooks prepared daily meals, in spite of the construction. Sam Brown had to maintain order in the parking lot. Meanwhile, the custodians cleaned the senior lounge; dug buried gum from the carpet, as well as the basic custodial jobs. Blue Valley wanted to be recognized nationally for having the best educational environment, so administrators rewarded those who put effort in the upkeep of the building, hoping to improve the building and changing custodial roles into a group effort.

STUDENT COUNCIL

Student Council Keeping B.V. . . On The Right Track

This year Student Council had the largest active membership in B.V. history. Under their new head sponsor, Steven Geraci, and asst. sponsor Harlan Locke, Stuco reintroduced parliamentary procedure to the student government organization.

Student Council was responsible for Homecoming and Sweetheart activities, the Holiday dance, student exchanges, the annual blood drive, food drive, and helping new students adjust to B.V.

S.A.D.D., Students against Driving Drunk, organized this year to join in the fight against drunk driving. The organization, under the supervision of Mrs. Millie Sampson and Mrs. Merinda Mortick, made several efforts to communicate to the student body the importance of not drinking and driving. One of these efforts was an assembly of the freshmen class to discuss the effects of alcohol on driving. They hoped such assemblies would become a tradition at Blue Valley.

"I hope that we have made an important impression on the student body and that drunk driving will become a thing of the past," said Nicole White, S.A.D.D. president.

PEER RESOURCE & NEW STUDENT COMMITTEE

Peer Resource and the New Student Committee were two organizations which provided services for B.V. students. Peer Resource was an outlet for any Blue Valley student who had a problem and wanted to be helped confidentially. The New Student Committee's job was to welcome new students as they arrived at B.V.

HOMECOMING

The 1985 Homecoming week began with five spirit days: Sunglasses, Hawaii, Pee Wee Herman, Toga, and Black and Gold. Many students showed their spirit dressing up.

Thursday night was the annual Powder Puff game between the Sr and Jr girls. There was a record crowd to witness the Sr. victory and the thrilling all male dance team performance.

Friday consisted of a pep assembly and an 11 am dismissal due to the end of the quarter. That night Penny Sanders was crowned Homecoming Queen, and the varsity football team defeated its new rival S.M. South 14-6.

The final event, held Saturday night, was the formal dance planned by Students. During the dance Rusty Thompson was crowned the Homecoming King.

The weekend ended with the K.C. Royals being crowned baseball's 1985 World Series Champions.

SWEETHEART

B.V . . . Two Hearts Beat As One!

Sweetheart at Blue Valley was the week of February 18-22. The week started on Tuesday, because of a teacher-in-service on Monday. The spirit days for the week consisted of: Hat and sunglasses day-Tuesday, College t-shirt day-Wednesday, Pajama day-Thursday, and the traditional Black and Gold day on Friday.

Friday night, during halftime at the basketball game against Olathe South, Miss Jill Liechty was crowned Blue Valley's 1986 Sweetheart Queen.

Saturday night, Student Council held a semi-formal Sweetheart dance, in the commons. The band, Ground Zero, played for the dance. That evening, Mr. Jim Andrews was crowned the 1986 Sweetheart King.

MARCHING BAND

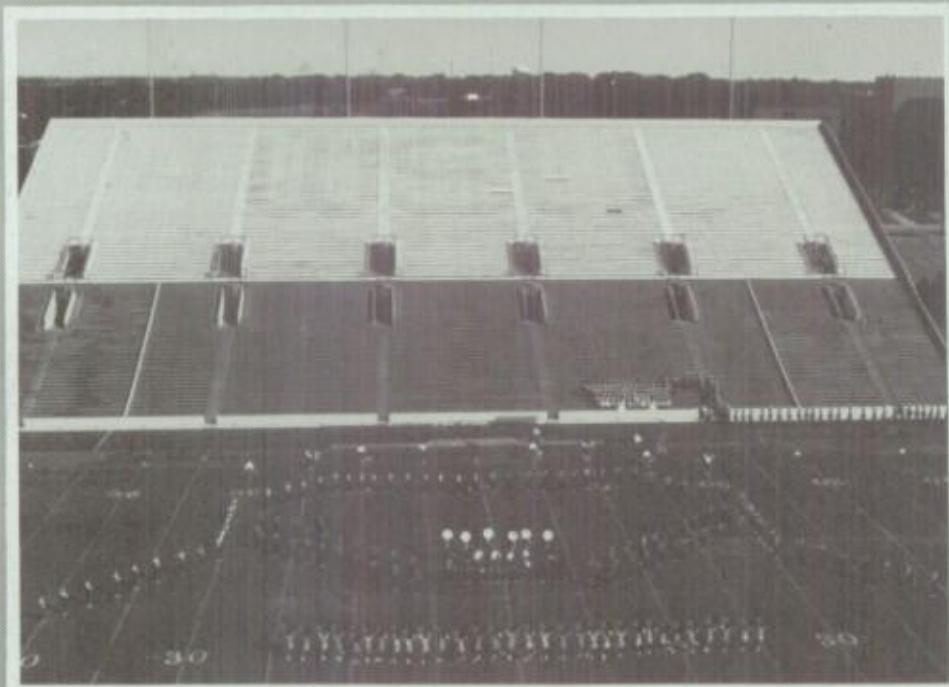

The Band Marches to a Winning Beat

Beginning even before students wanted to think about returning to school, members of the marching band were out in the heat going over skills and patterns.

The band still worked outside while the rest of the students took advantage of 4th hour study hall and finished homework.

But, as all good organizations find, hard work paid off. The band performed at Blue Springs and Wichita State University; at both competitions they received a one - the top rating achievable.

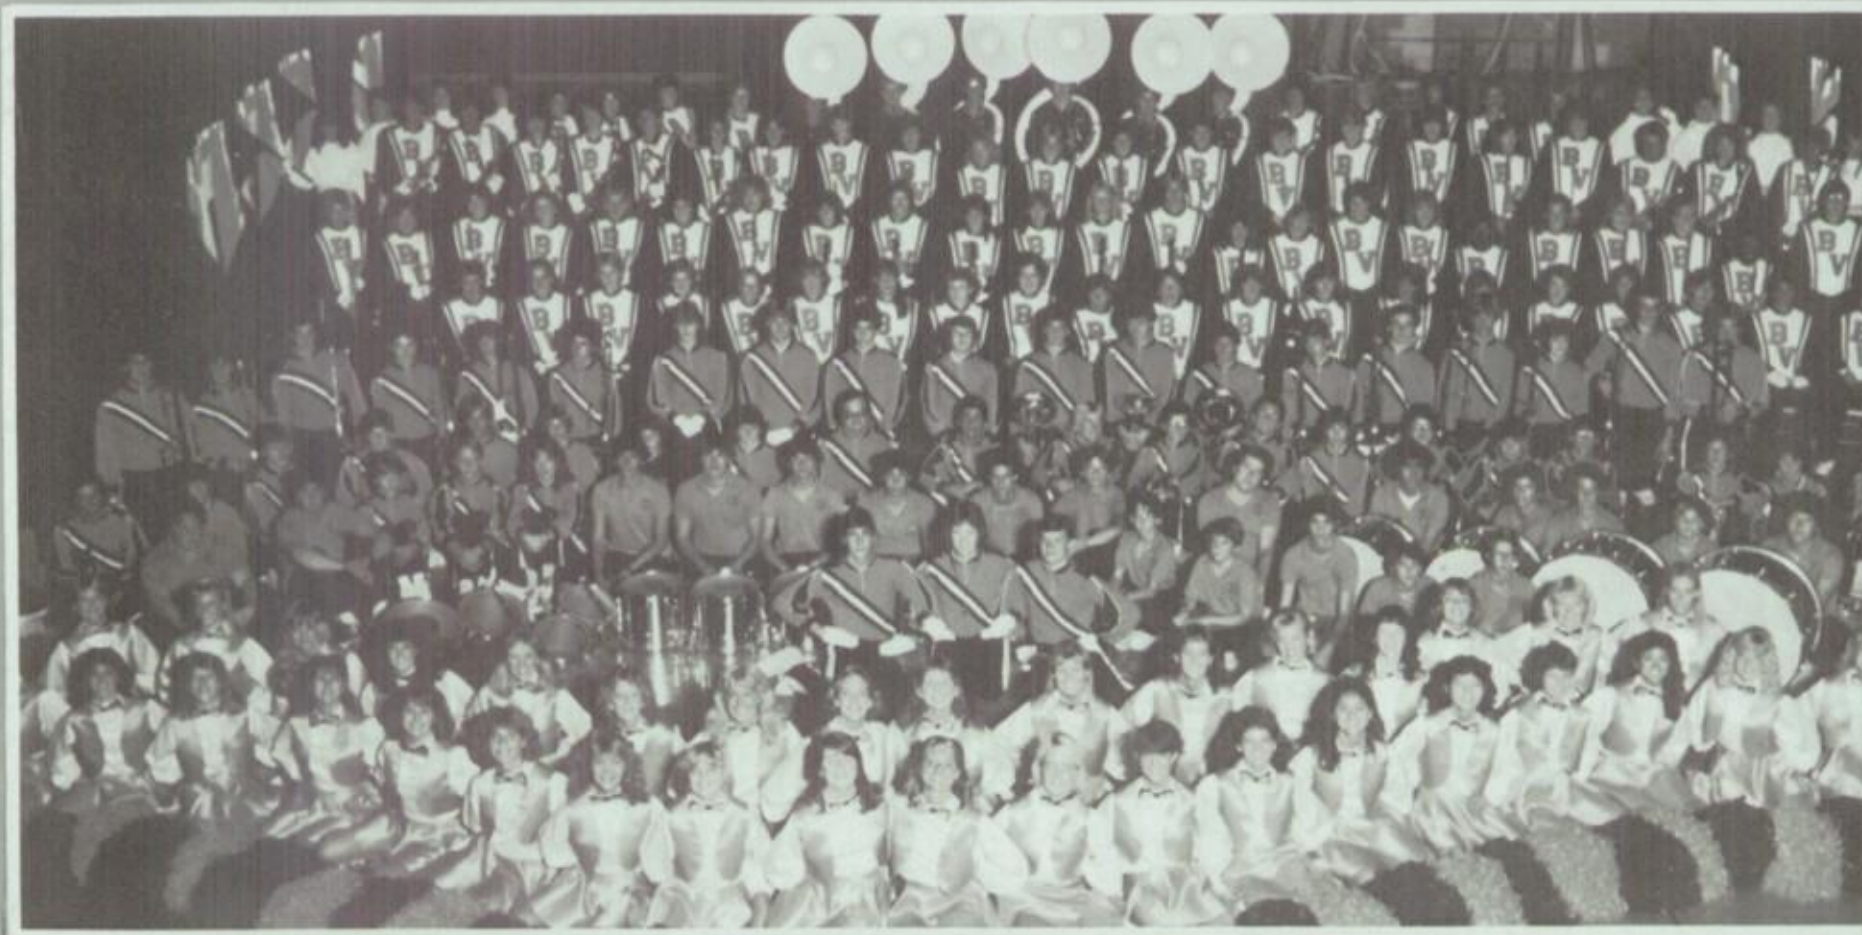

No one liked to march when it was either very hot or cold, but the praise they received was well worth the efforts.

Two trumpeters concentrate on the music.

The goal of the Blue Valley marching unit leaders was to have unity within the high school and display the pride to others in our area. Because of this goal, the pictures taken for the 1985-86 marching band, drill team, and flag corp were combined to show how the groups worked together to promote spirit.

DRILL TEAM

Blue Valley Tigerettes Strut Their Stuff

The crowd waited expectantly as the 1985-86 Tigerettes marched confidently onto the field. Bright yellow and white uniforms worn proudly by the girls were signs of their spirit. Clever routines and dances impressed the fans in the stands.

But routines that are precise and look great are not easy to come by, as the drill team members found out. Many hours of practice went into every performance. The team did not settle for second best and worked until they could accomplish perfection.

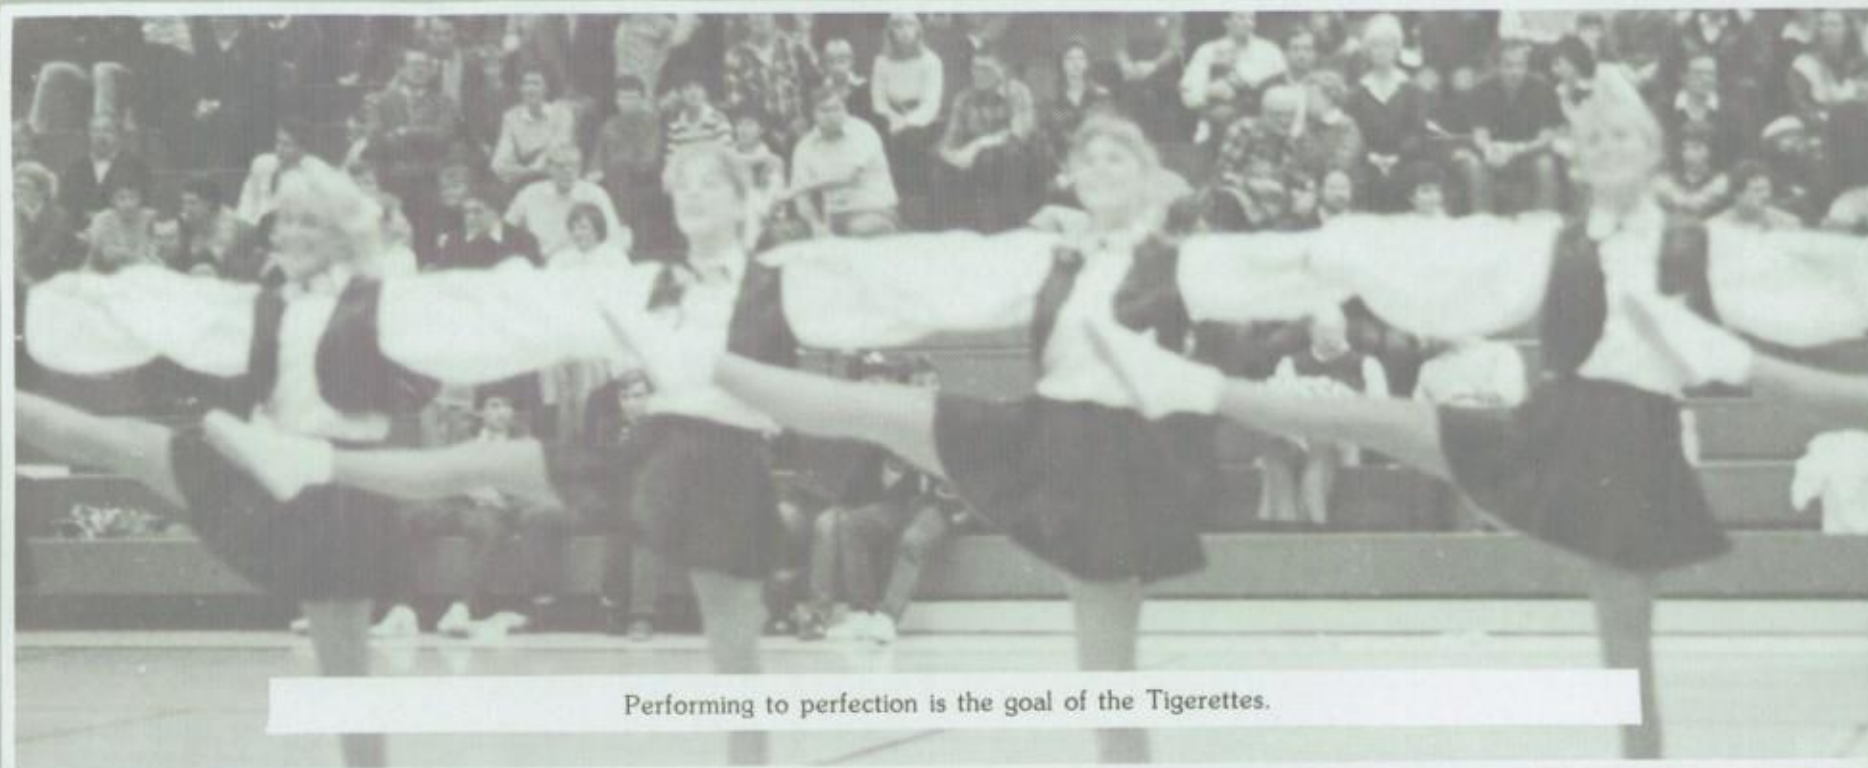

The Tigerettes learned that hard work paid off. Applauding students, faculty, and parents were witnesses to their dedication and appreciated their fine work.

FLAG CORP

Flag Corp Adds Excitement

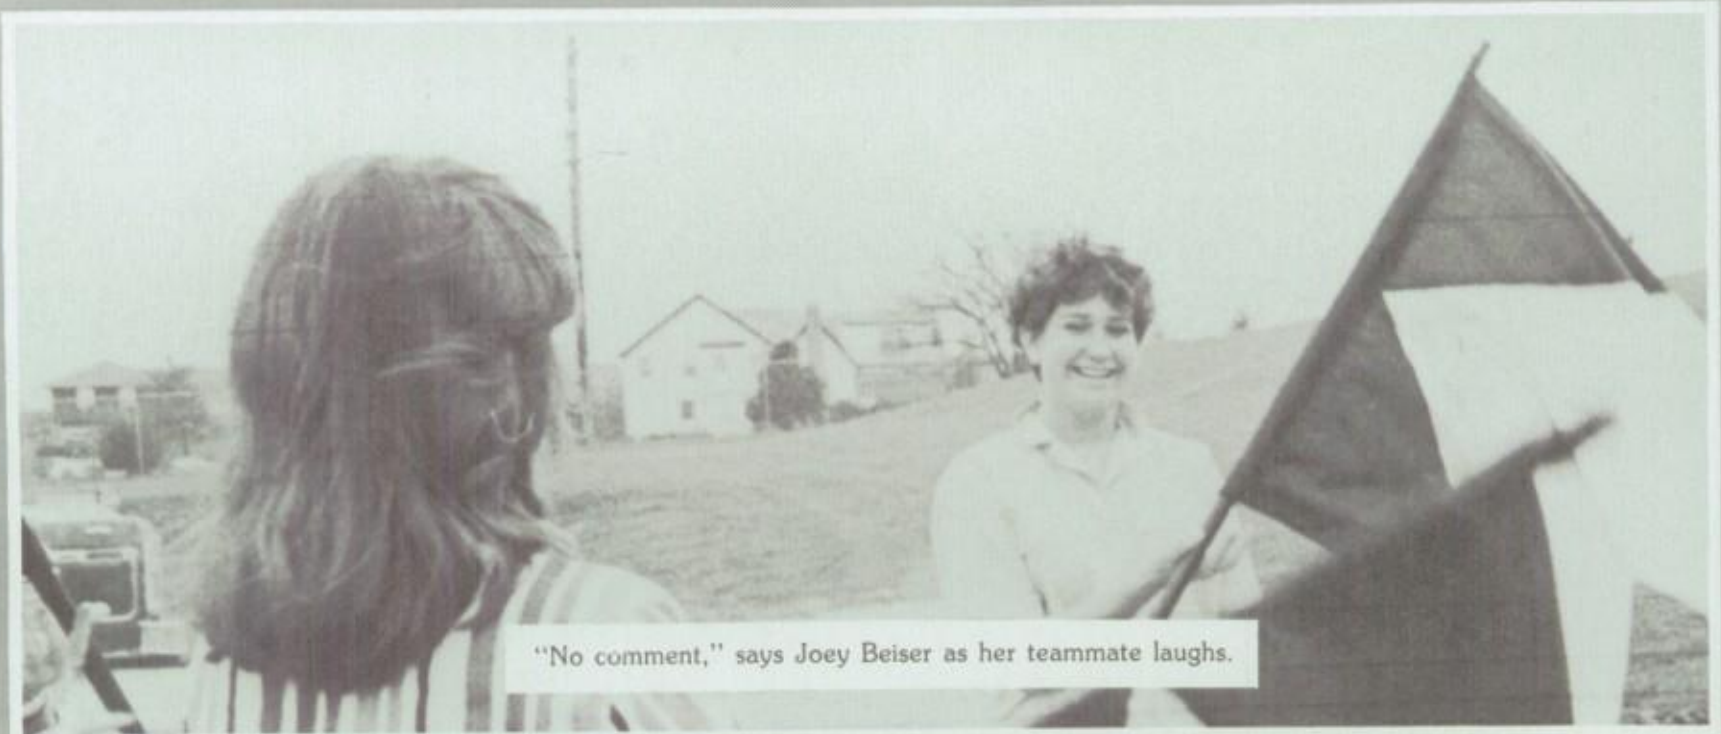

During a football game the band marched, the drill team danced, and in front of them the flag corp performed their own routine. They added the spark to the others' performances and essentially "put icing on the cake."

Hard work during practice made this possible. Coordinating their routine with that of the band's during the football season began the year and gave them a good start. The flag corp also performed during various games throughout the basketball season.

Flag corp members were enrolled in a class during the first semester. They also attended a summer camp and practiced during the summer months. Other practices during the year were held before and after school. To be a part of the flag corp, try-outs were required.

CHEERLEADERS

Energetic Cheerleaders Keep B.V. . . . On The Right Track.

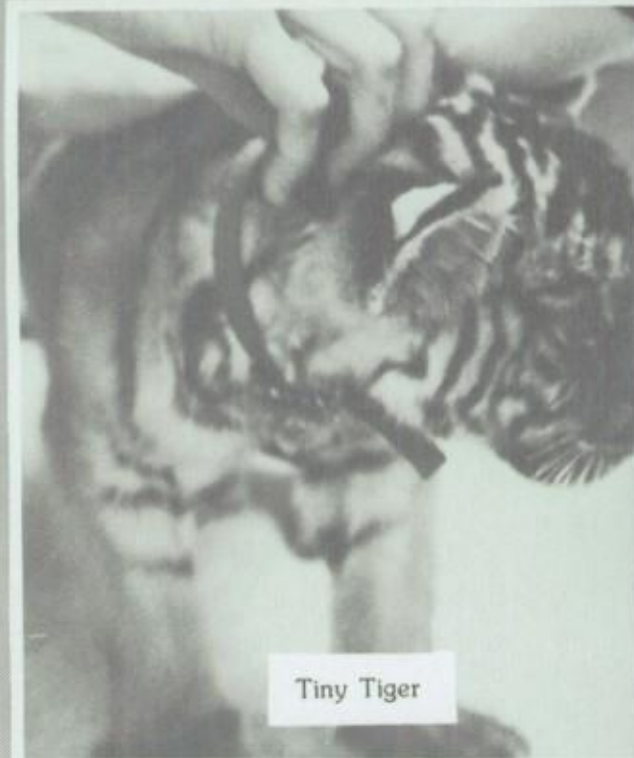

All three of the 1985-86 cheerleading squads promoted school spirit and supported all teams and activities this year.

To promote spirit they sold Tiger t-shirts, planned pep assemblies, and provided buttons for the winter sports' teams. They also made buttons for the basketball player's parents at parents nights.

The cheerleaders showed their support of school activities by making posters for the debate team, band, drill team, and flag corp; they also attended dances, tailgate parties, and leadership workshops. Over 200 dozen cookies were made for sports teams and officials, and a majority of the school lockers were decorated to wish luck to the players before each game.

VARSITY

At camp, this past summer, the varsity squad received one excellent and four superior ribbons. They also brought back a spirit stick which was given to all three B.V. squads because of the outstanding spirit, togetherness, and enthusiasm they demonstrated during camp.

They supported many athletic teams. The varsity cheerleaders handed out medals at the Blue Valley Relays and provided baskets of fruit for the Cross Country team on their way to regionals and state.

The squad showed their spirit not only in school, but within the community, by holding a cheerleading clinic for district fourth and fifth grade girls. One of the proudest accomplishments was their adopt-a-pal program with the varsity football and soccer players.

NHS

NHS - A Recognizable Achievement

The National Honor Society is an activity which honors the outstanding students at Blue Valley. Both juniors and seniors who met the requirements were eligible. Candidates must have shown outstanding abilities in various outlets of student life - not just good grades. Selections for the National Honor Society were made during the second semester of the school year. The students who were chosen for this prestigious group were selected on the basis of scholarship, service, leadership, and character.

In other words, these students went beyond the normal efforts of some and worked hard to achieve a goal for themselves to reach. We congratulate all of those who were selected and recognize them as examples of well-rounded students.

The International Club Crosses Boundaries

The International Club was for those individuals who were participants in the Foreign Exchange Program during the school year.

The students involved were provided with international educational opportunities and language study enrichment. Those who visited us had the unique experience of being a part of another culture. They were able to gain knowledge about current events and international relations.

Just imagine going to a completely different world and adjusting to a new culture. These students showed a great deal of responsibility, diplomacy, and the quality of being able to adapt well to new surroundings. We hope that their stay with us at Blue Valley was both educational and lots of fun!

CATEGORIES

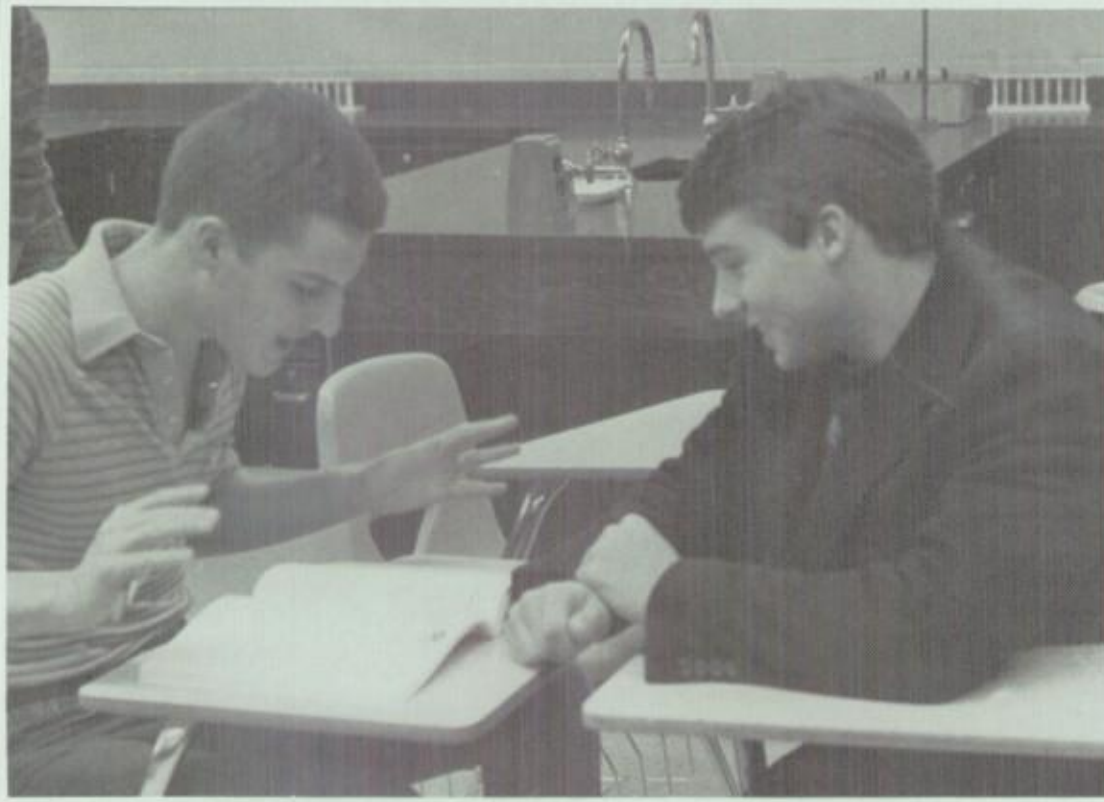

Students Compete 'Over Trivia

Categories was a volunteer organization that met every Monday after school until four o'clock. The students involved vied with other schools such as the Shawnee Mission schools and Olathe. The students who competed for Blue Valley were often seniors for the simple reason of more experience.

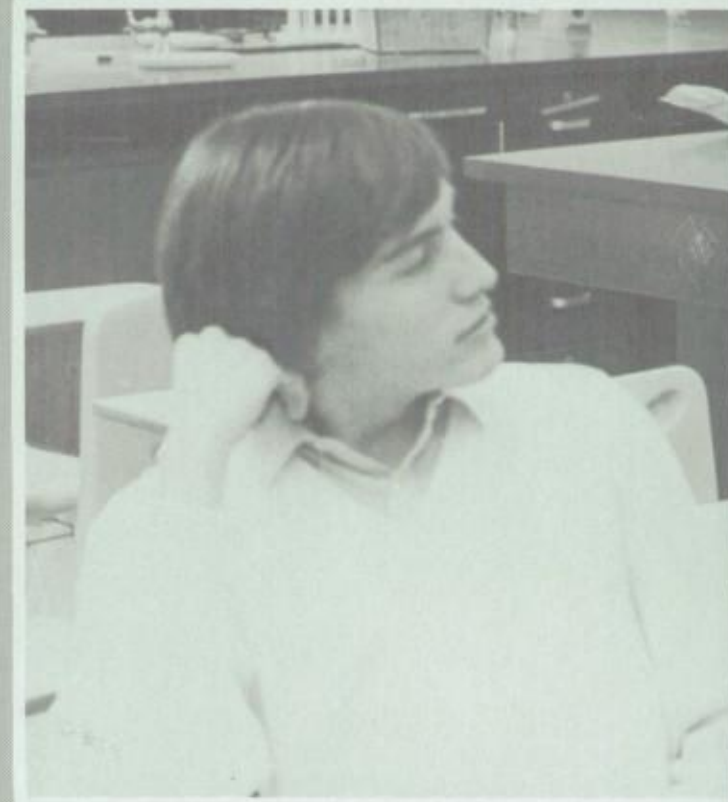

Among the many subjects included in the competition were literature, mathematics, geography, famous quotes, and areas in the field of science.

Students prepared for the "meeting of the minds" by studying various books of questions in trivia. They also studied questions used in previous competitions.

Even though the students involved put in hours of studying facts, there were fun times and exciting struggles against other schools.

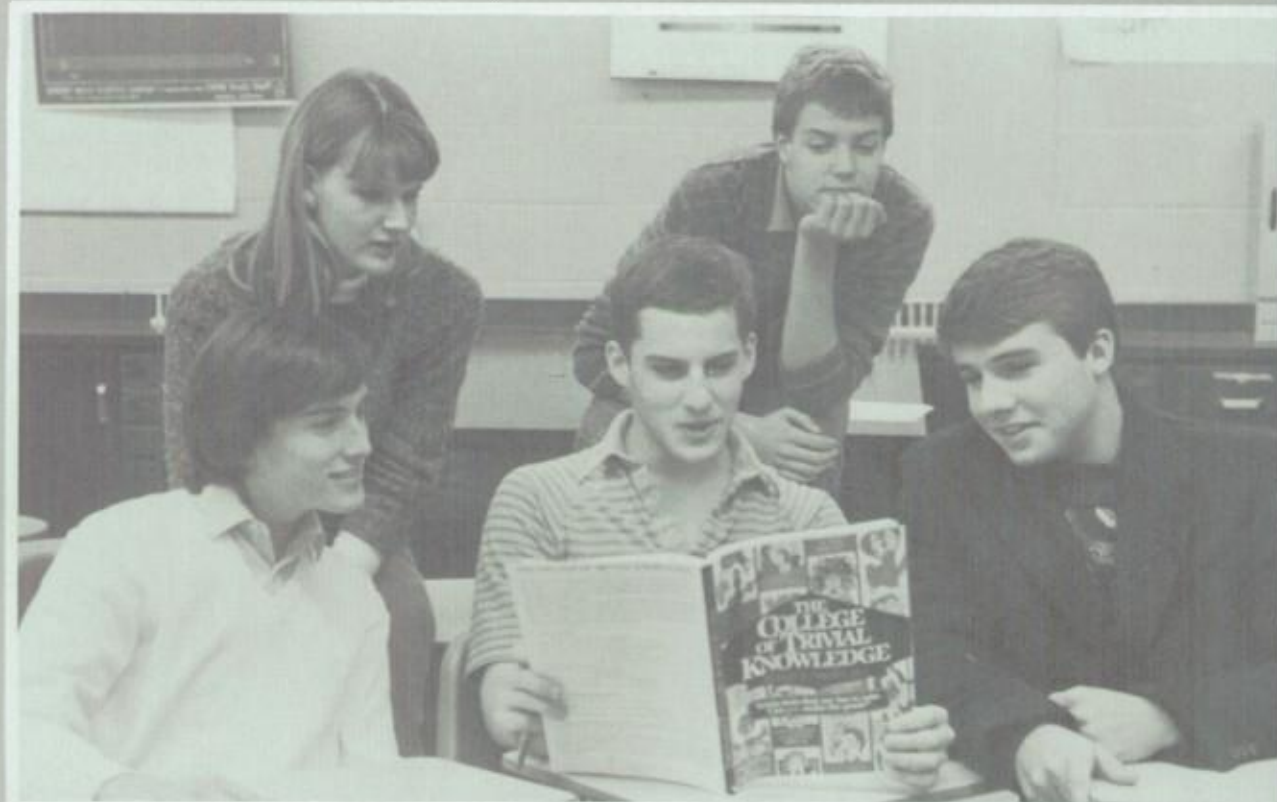

"Just wait until you hear this one!" Jeff Hickox tells Aaron Cheatham.

"I cannot get rid of this headache," sighs Kevin Gangel.

"Did I really say that?" laughs Amy Davis.

Jeff Hickox quizzes some of the other category members.

Science Research Challenges Students

Science Research was a special class that students who were talented in the field of science could join to challenge their abilities. It was a class in which the students applied laboratory and library research skills. During the year they chose a certain topic to research. The topic may have been taken from the physical or biological sciences. A report was prepared which included a statement of the problem, library research, hypothesis, a description of the procedure, summary, and an analysis of the data. The students were also involved in science fairs where they presented their projects. Hard work was what these students became acquainted with during the year. But, new interests were created and these seniors gained valuable experiences.

KAYETTES

Blue Valley Kayettes Care For Others

The Kayettes is a volunteer organization which serves both our high school and the surrounding communities.

During the year, the Kayettes were responsible for a number of activities. They were hostesses for "meet the teachers night" when parents came to visit faculty members. The Kayettes also adopted needy families during the Christmas season, served as hostesses during the school musical and school play, and served the senior citizens in our community in a variety of ways, plus additional activities.

Everyone who was helped by these young ladies was grateful for the work they performed to please others. Besides being busy throughout the school year, the club helped others and had a great time doing their jobs.

LOOKING GLASS

Looking Glass Publishing The Creative Works of Students

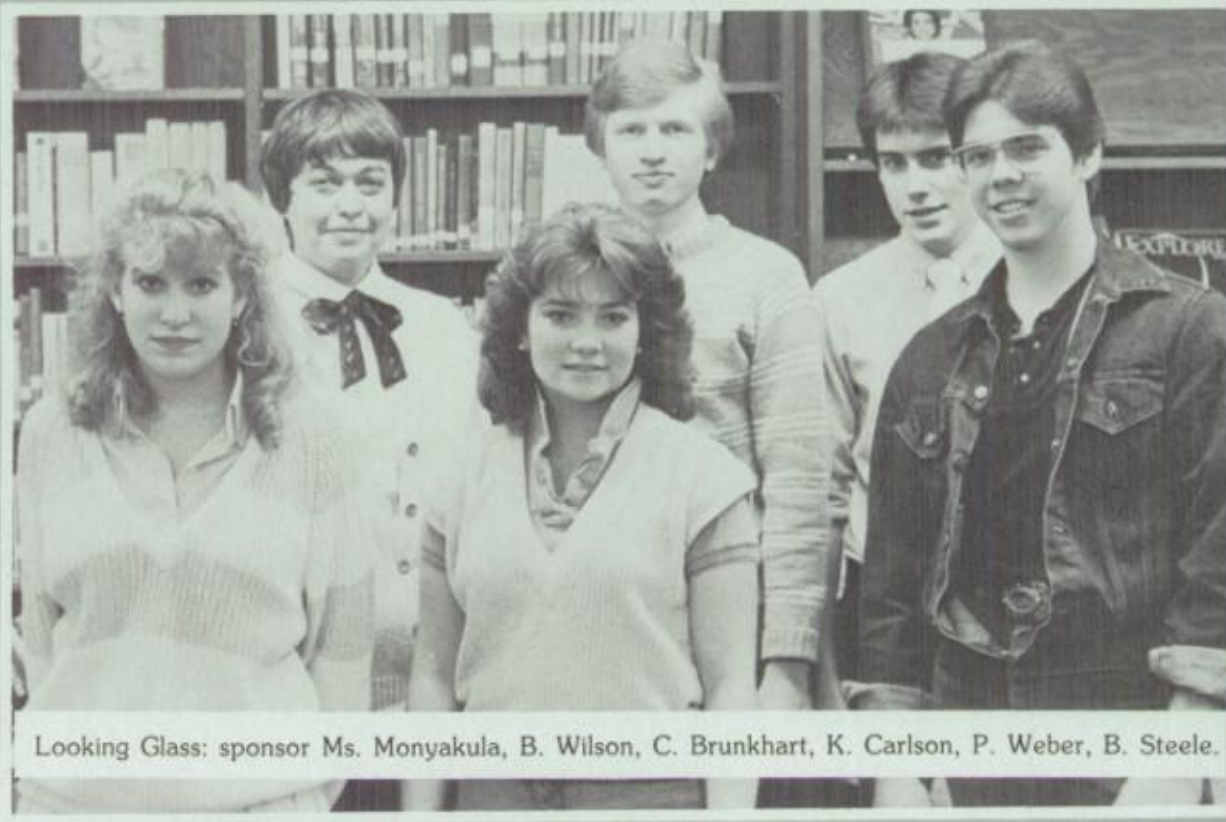

"The purpose of the Looking Glass is to publish literary works of B.V. students," said Michael Lamm, this year's editor.

The magazine, which was first published six years ago, is an opportunity for students, who enjoy writing, to have their works published and read by the student body. There were fifteen students who put the magazine together, but anyone was able to submit a piece of writing.

The staff had hoped to publish two magazines this year, but due to a lack of funds and the expense, it was impossible.

HISTORY CLUB

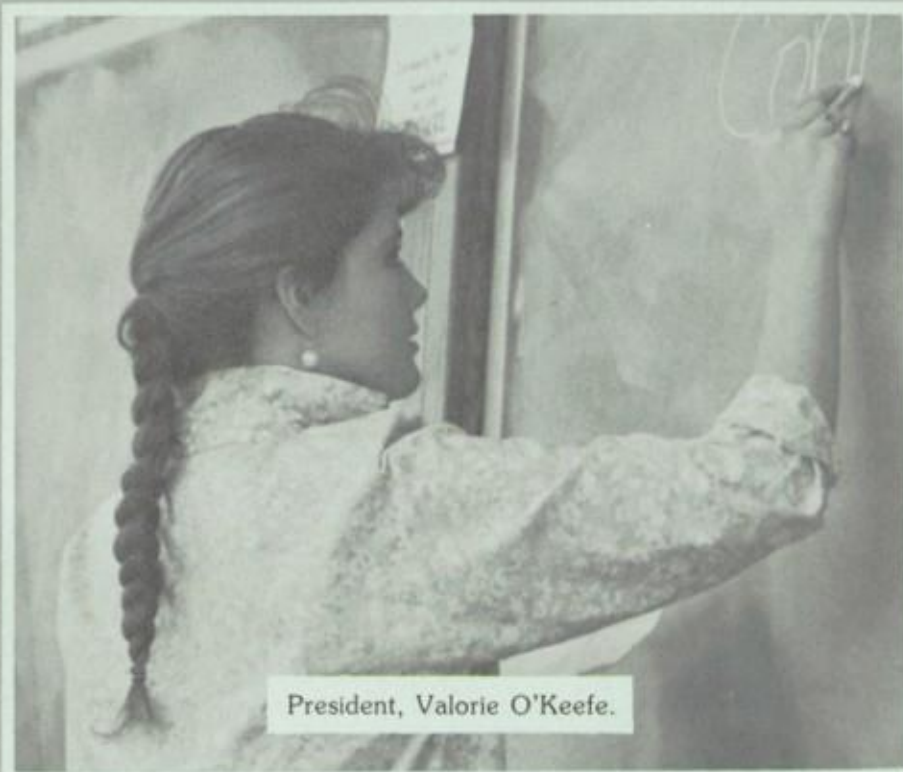

History Club Culturalizes B.V. Students

Intergalactic pastimes or the history club was another popular club that began this year. With a growing membership of twenty-two, the group's goal was to better inform students about history past, present, and future.

To accomplish these goals the group listened to speakers, participated in group projects, and went on field trips. One of their most exciting activities was a field trip to Topeka, Kansas to visit the state capitol.

PHOTO CLUB

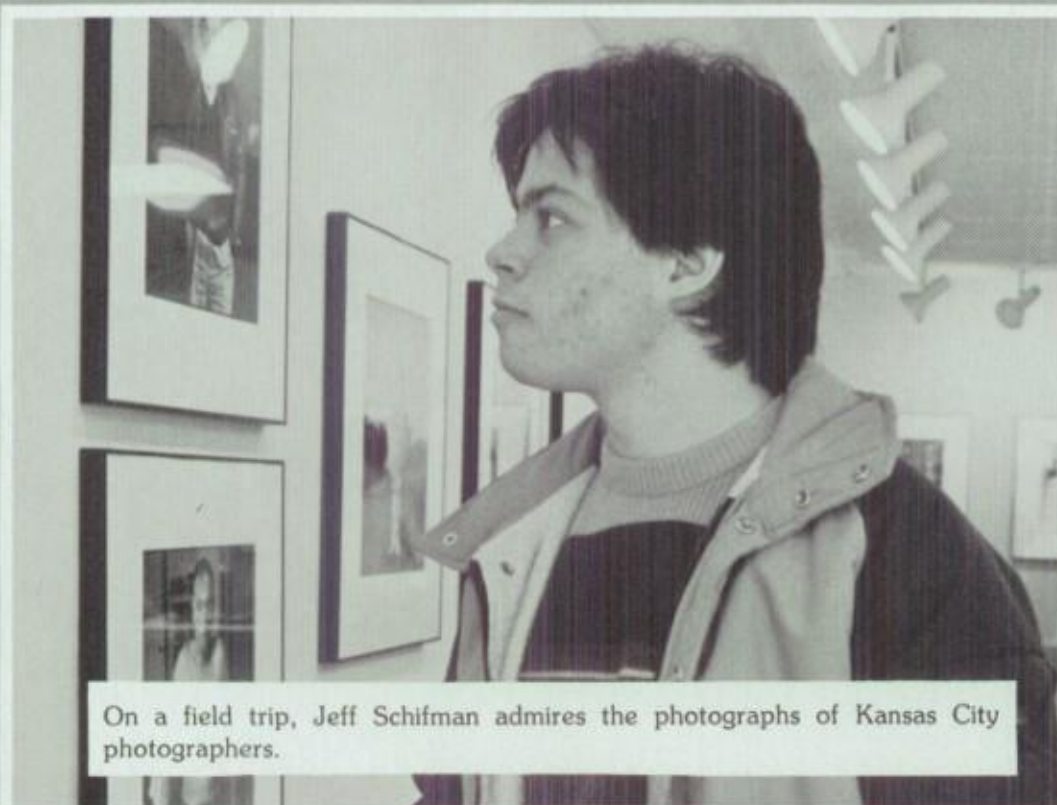

Taking and Developing an Interest in Photography

A new club to Blue Valley this year was the Photography club. This organization was formed to promote the awareness, involvement, and support of photography by students, faculty, and community of Blue Valley.

The club's main object was to encourage and foster interest in photography. The group learned camera functions as well as development of negatives and prints.

Advancing the Cause of Art at B.V.

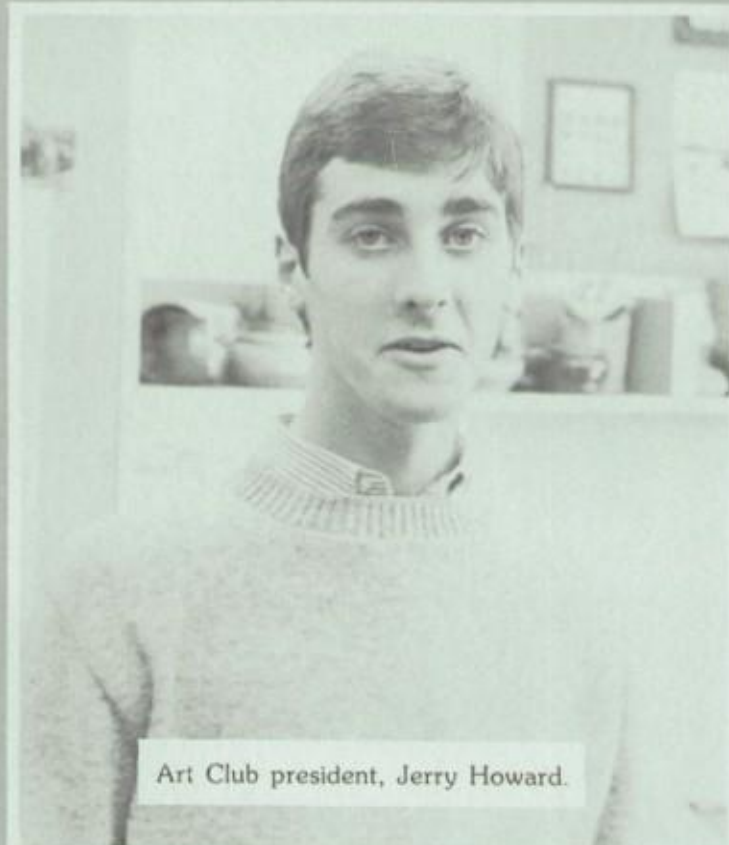

The Art club, under officers Jerry Howard, Joe Hart, and Doug Irwig, worked to advance the cause of art at B.V. The club accomplished this by selling silk-screened emblems to be printed on t-shirts. The group also added murals to the pool area, and commons.

The membership was open to any student who had an interest in art and wanted to expand his/her horizon in the art world.

The duties of the yearbook staff was often a mystery. What went on behind those closed doors was never revealed until the yearbook came out. Along with some fun, the yearbook staff worked hard to preserve the memories of the school year. Many changes were made as the year progressed and things began slipping into place. Sometimes the deadline would creep up and the pace of the room increased as the deadline got closer.

The yearbook staff was like a production crew at concert. We did "behind the scenes" work. Many hours were spent writing, cropping, and then doing it all over again. Our final product was the book, and you, the student body, were our audience.

As you read the book, now and in the future, we hope you will remember the good times at Blue Valley High School.

Nicole Stelle

Yearbook was very fun. It was a good experience for me since I am interested in studying journalism in college.

Debbie Bruton

I enjoyed yearbook because you were on your own to get the job done and didn't have a teacher looking over your shoulder all of the time.

Steve Leach

I took yearbook because I thought it would be fun, and it was, but it was also a lot of hard work. It turned out to be a very rewarding class.

NEWSPAPER

New Tiger Print Format Informs As Well As Entertains

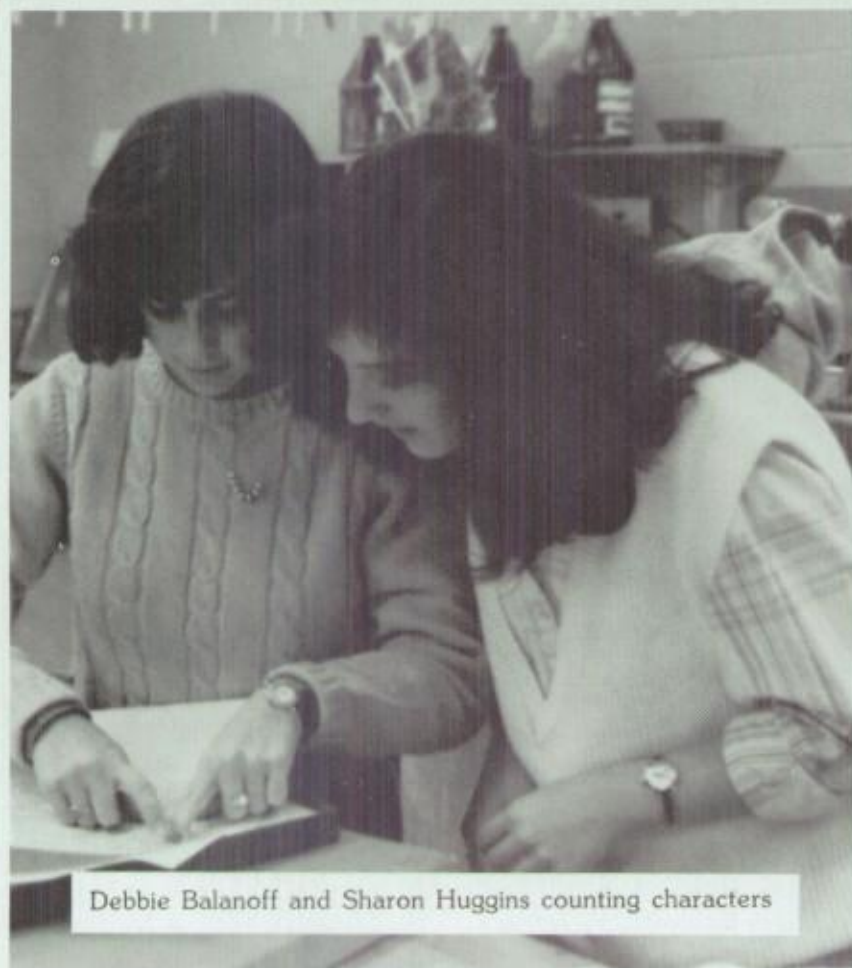

"Our goal this year was to make newspaper a fun and interesting experience by producing a better paper," Emily Volk co-editor said.

The Tiger Print staff accomplished their goal by making the newspaper more student oriented. They looked for more interesting features from important events to accomplishments by fellow students.

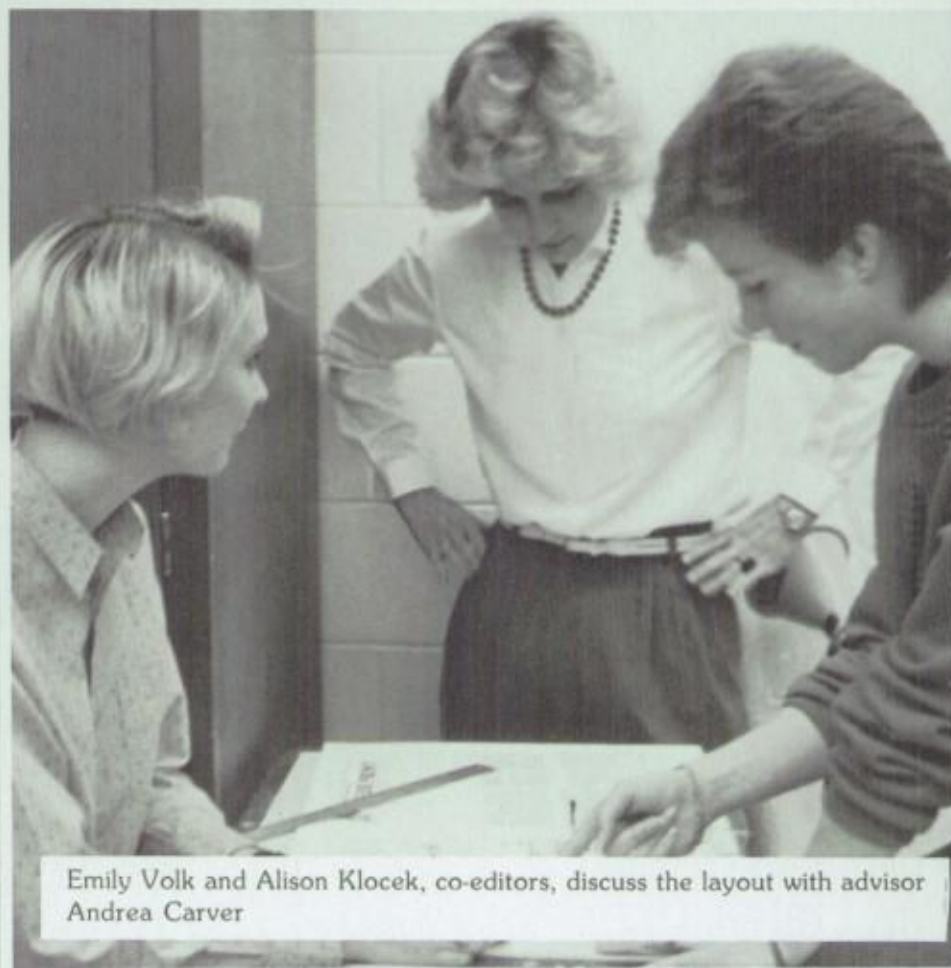

Each staff members' requirements consisted of selling \$200 worth of ads and writing at least two stories per issue whether they ran or not.

Producing the newspaper is a long complicated process, not always understood or appreciated by the average student.

Although the process means a lot of hard work and strict deadlines, the staff took great pride in being on the right track.

DEBATE

Debaters Work Extensively For Continuous Success

Busy from the beginning of school till around mid-January, the debate squad, of novice and experienced debaters, researched and wrote cases based on this year's topic-*Resolved: "That the Federal Government should establish a comprehensive national policy to protect the quality of water in the United States."*

After many hard weeks of work, the real challenge came when the teams began attending tournaments. This year's squads were extremely victorious at competitions. The squads also held their own tournament. The success of the tournament was due to the outstanding effort of the entire squad.

FORENSICS

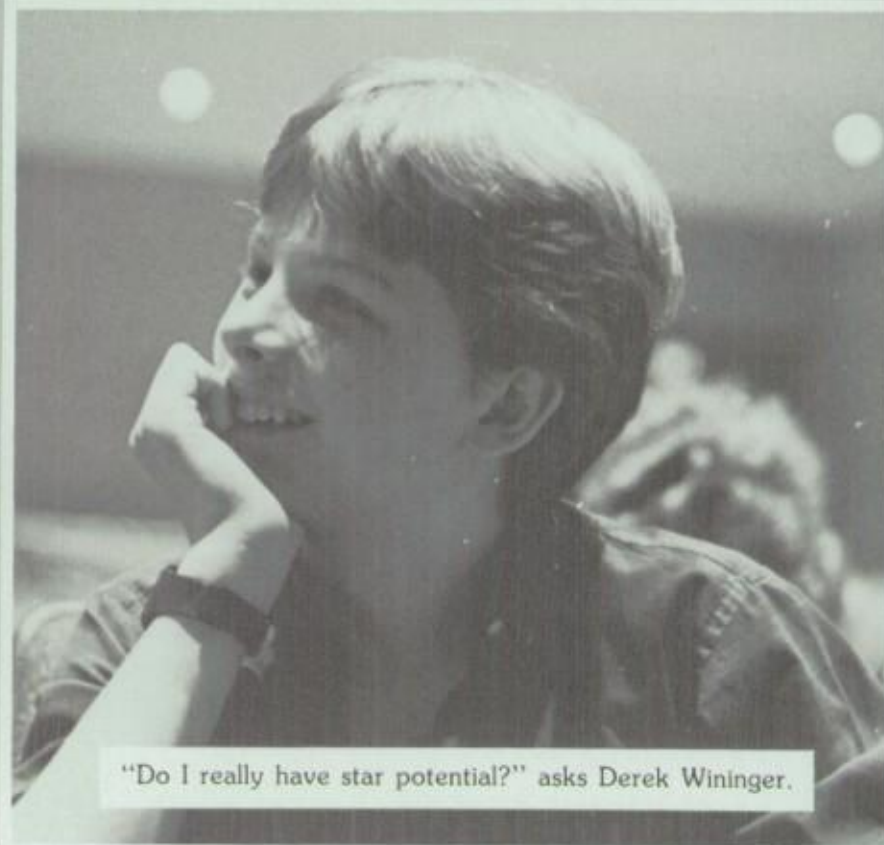

Forensics Students Act Their Way To The Top

Forensics can be divided into two categories. First there are the speaking events which consist of extemporaneous speaking, oration, and informative speeches. Then there are the interpretative or acting events which consisted of Prose, Poetry, Humorous interpretation, Duet Acting, and Improvised Duet Acting.

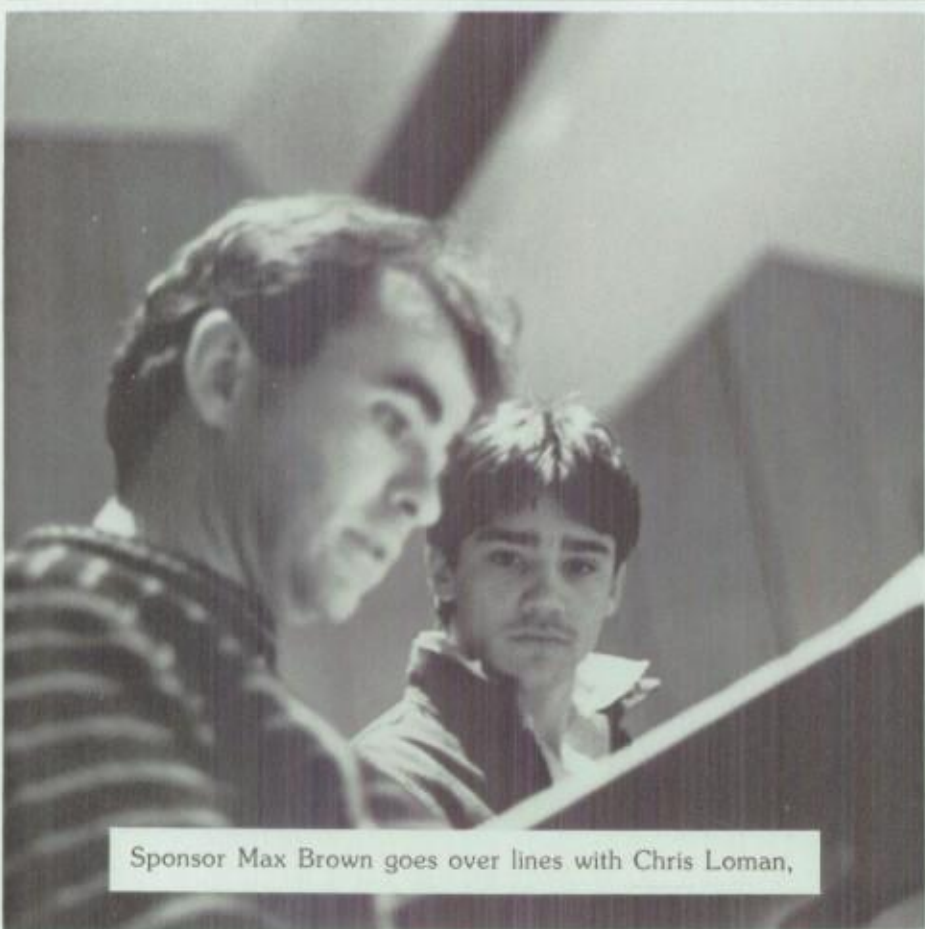

The squads of novice and experienced worked very hard and spent many long hours in perfecting their events. Eventually they went to many tournaments, and they hosted one also. This year's squads were very successful.

FALL PLAY

"Antigone" . . . A Wonderful Dramatic Presentation.

The fall play "Antigone" was presented November 22nd and 23rd, in the Little Theatre. "Antigone" is a modernized version by Jean Anouilh, of the ancient Greek tragedy by Sophocles.

The story is one of the age-old conflict between individual rights and totalitarian authority. King Creon represents the law; Antigone, the human spirit rebelling against the law.

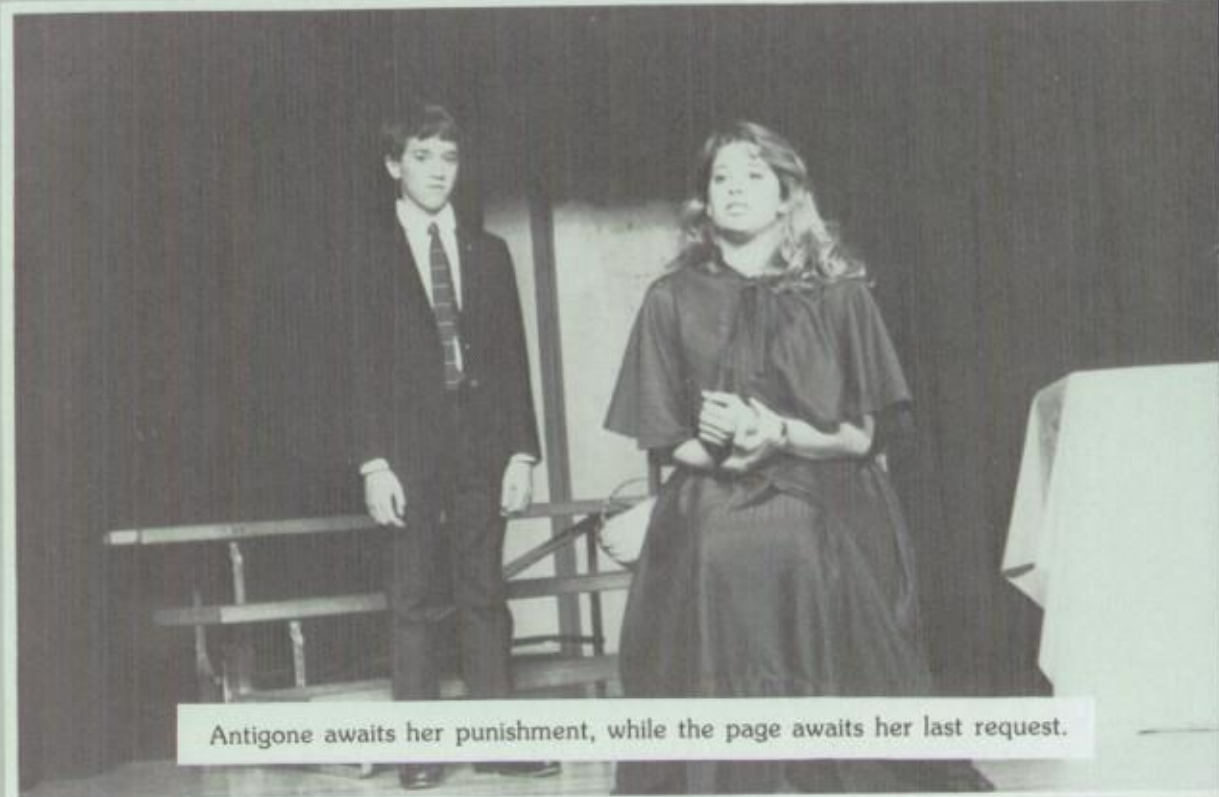

The play was very well presented, and was one of the best ever performed B.V.

WINTER MUSICAL

"Wizard of Oz" big hit for Blue Valley High School and community.

On February 6, 7, and 8, the Blue Valley production of the "Wizard of Oz" opened in the newly finished Performing Arts Center. This year's show brought two big firsts to Blue Valley history.

It was the first production in the newly built 650 seat auditorium and the first production to sell out all three nights of the performances the day the tickets went on sale.

The cast and crew of 150 high school students spent four weeks (two less than past productions) working to make the show the tremendous success it was. To help add to the excitement of the production 137 second and third graders from area elementary schools were given the opportunity to portray the Munchkins of Munchkinland.

INSTRUMENTAL MUSIC

Instrumental Music Displays Talent

Besides Marching Band, there were several other instrumental groups who performed at Blue Valley.

The Jazz Band was for those students who auditioned and were accepted by the band director. Being in the Jazz Band meant a scheduled class and other rehearsals after school. The participants also must have been enrolled in another musical class.

Another opportunity for students to exhibit their musical talent was the school orchestra. The orchestra was a scheduled class in which students had the rehearsal time that was necessary to be prepared for the concerts. The performances included solos and ensembles by members or the group.

These musicians provided beautiful entertainment during each program throughout the school year.

VOCAL MUSIC

Vocal Music Spotlights Talent

Vocal music played an important role during the year. There were five groups in which students participated. In some chairs, an audition, a singing part, and the student's grade level was considered in placement.

The Chorale was a group of mixed voices for sophomores, juniors, and seniors.

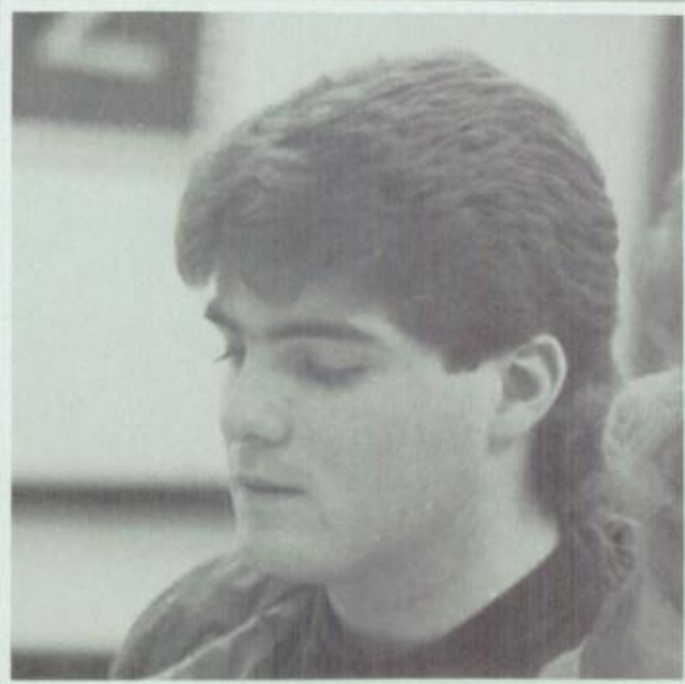

The Lyric Choir consisted of ladies' voices in grades ten through twelve. Another choir specifically for girls was the Glee Club, for grades nine through twelve.

The Freshman Choir was a one-semester performing class for male and female voices. This provided an opportunity for freshmen to develop choral skills and to sing for pleasure.

The Chamber Singers were selected from the Lyric Choir and the Chorale. They performed in the community and at school functions.

VARSITY FOOTBALL

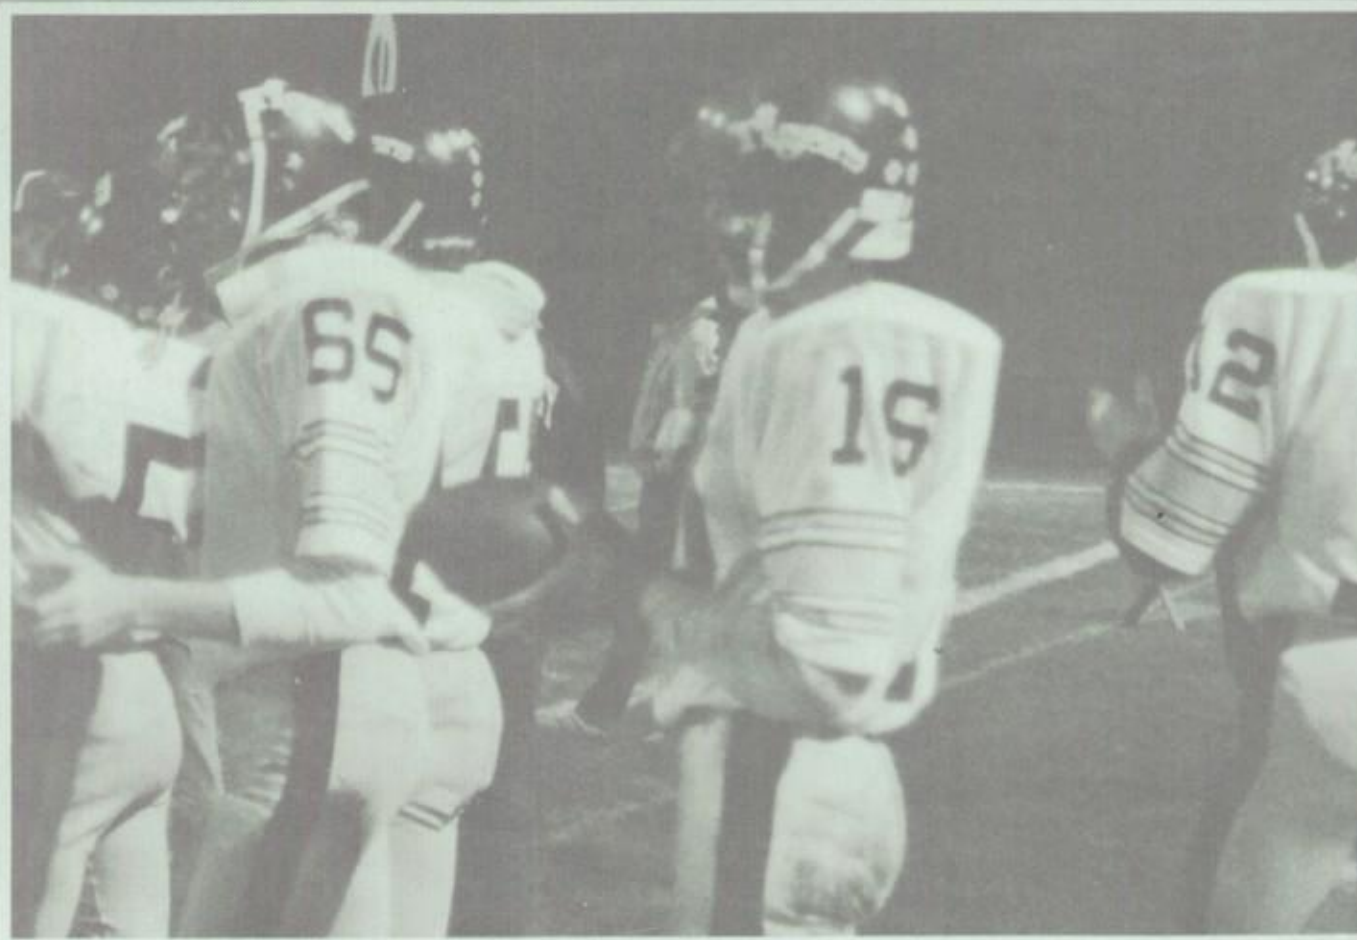

Football Program Competitive

The Blue Valley Tiger 85-86 Football Program was packed with excitement this season. The Tigers proved to be tough competitors when faced with the new challenge of playing the Shawnee Mission Schools. They finished the season with an impressive 4 win, 5 loss record. The defeat of Shawnee Mission South at Homecoming was an upset characteristic of the Tigers performance this year.

Much of the success can be created to the hardworking, positive attitude the football team had created. "The guys worked very hard, and it paid off. I feel that we obtained our goal in being competitive in the Eastern Kansas League," said new head coach, Steve Rampy.

Maybe next game, Bob.

Is there a line to get on the field, Mike?

VARSITY SOCCER

Soccer Has Winning Season

The Blue Valley Soccer Program had an outstanding season ending with a 13 win, 6 loss, and 2 tie record. The pre-season Olathe tournament, in which we battled our arch rivals Bishop Miege, was evidence of an exciting season to come.

The strong leadership of 30 seniors and exceptional coaching, propelled the team into the Kansas Cup, where they placed third. "I'm delighted with the outcome of our season," head coach Jim Babich said, "the guys kept surprising me with their performances."

VARSITY VOLLEYBALL

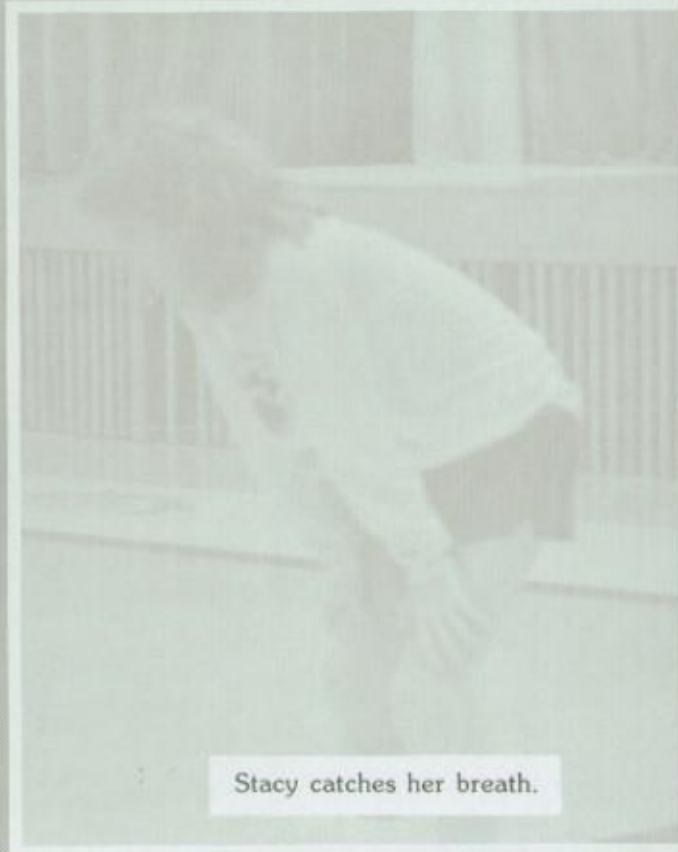

Volleyball Is On The Track To Success.

The Blue Valley Lady Tiger's Volleyball squads had a successful and competitive season under the direction of head coaches Chris Dinnin and Jean Drennan. Their overall record of thirteen wins fifteen losses and an EKL record of five wins, seven losses, was excellent considering the loss of several of last year's starters to graduation.

The outstanding performance of Laurie Carpenter, sophomore, earned her a position on the All Sun Country and Eastern Kansas League volleyball teams. "We had a young team that gained a lot of experience which should help us next year", said Jeannie Sampson, sophomore and Most Valuable Player for the season as honored by the Booster Club.

CROSS COUNTRY

Cross Country Has Yet Another Outstanding Season

The Blue Valley High School Cross Country team had an exceptional season. They finished the season second in the league, the boys having a 58% winning percentage and the girls an impressive 89%. There were also many personal bests. Diane Singleton, Julie Singleton, and Dave Watkins placed in the top twenty at state.

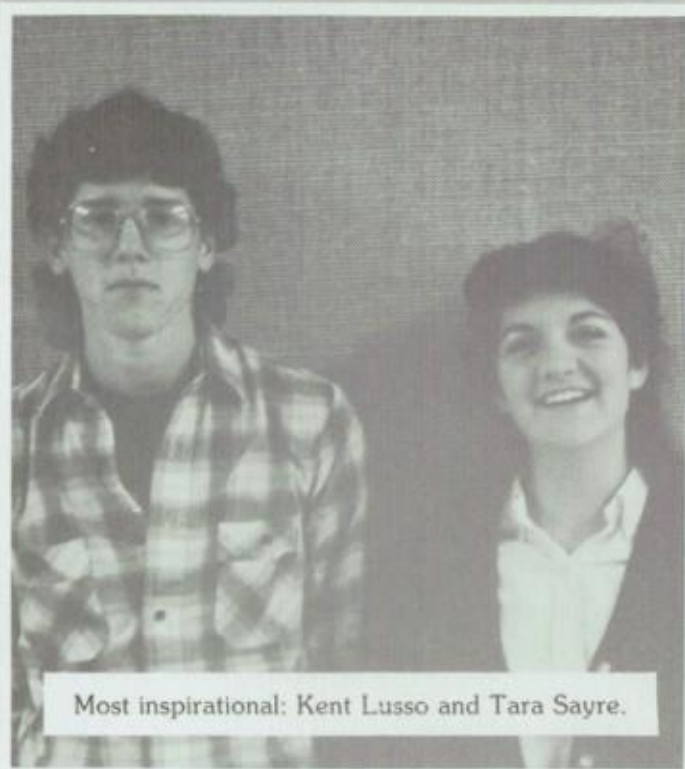

Tara Sayre and Kent Lusso were named most inspirational runners, and Diana Young and Dave Watkins were most valuable players. When asked about competition with the district, Head Coach Harry McDonald said, "Blue Valley and B.V. North had better tie their shoes on tight!"

Diana finished with another great standing.

GIRLS' TENNIS

Tennis Has A Fantastic Season.

The Blue Valley Lady Tigers' tennis team had an impressive and successful season. Coach Ron Mersch helped the team to an overall record of 8 wins, 3 losses, and 3 ties and a league record of 3 wins and no losses. The team finished the season in first place in EKL placing first in singles and in doubles. Lisa Denton, freshman, was the EKL champion and placed sixth in state. GIRLS' GOLF

Girls' Golf Has Great Season

The Blue Valley Girls' Golf Team had another superb season this year, finishing fifth in the state. This impressive achievement is partly due to the leadership and experience of this year's seniors. Michelle Morrow, senior, was ranked number one on this year's team. "We will miss them but that will give other girls a chance," said head coach Danny Locke.

One more like that and you'll strike oil.

BOYS' SWIMMING

Swim Team Has Record Breaking Season

The Blue Valley High School Boys' Swim Team had an exceptional season this year. Coach House and the team thought that they had an excellent chance to obtain the state championship, and the team was ranked among the top in the area throughout the season. The team's performance was aided by the addition of team member Walter Denton, formerly a student at Witcita Southeast High School. He broke numerous school records, including the 100 Backstroke, 100 Free, 200 Free, 100 Butterfly, 200 Individual medley, and 50 Free. On February 22 in Lawrence the team earned BV's first boys' state title defeating SME 151 to 149 points in the final lap of the final event.

WRESTLING

Wrestlers Have Fantastic Season

The Blue Valley Wrestling team did exceptionally well this year, placing third in state competition in Wichita. This demonstrated that they were still strong opponents with the state. Compared to last year we have more Varsity experience, but we're still a young team," said Head Coach Lindsay Ball. Despite their inexperience on the Varsity level they are very competitive. "We have a unique sense of camaraderie in the team." The supportive attitude encouraged each wrestler to do his best," said Coach Ball.

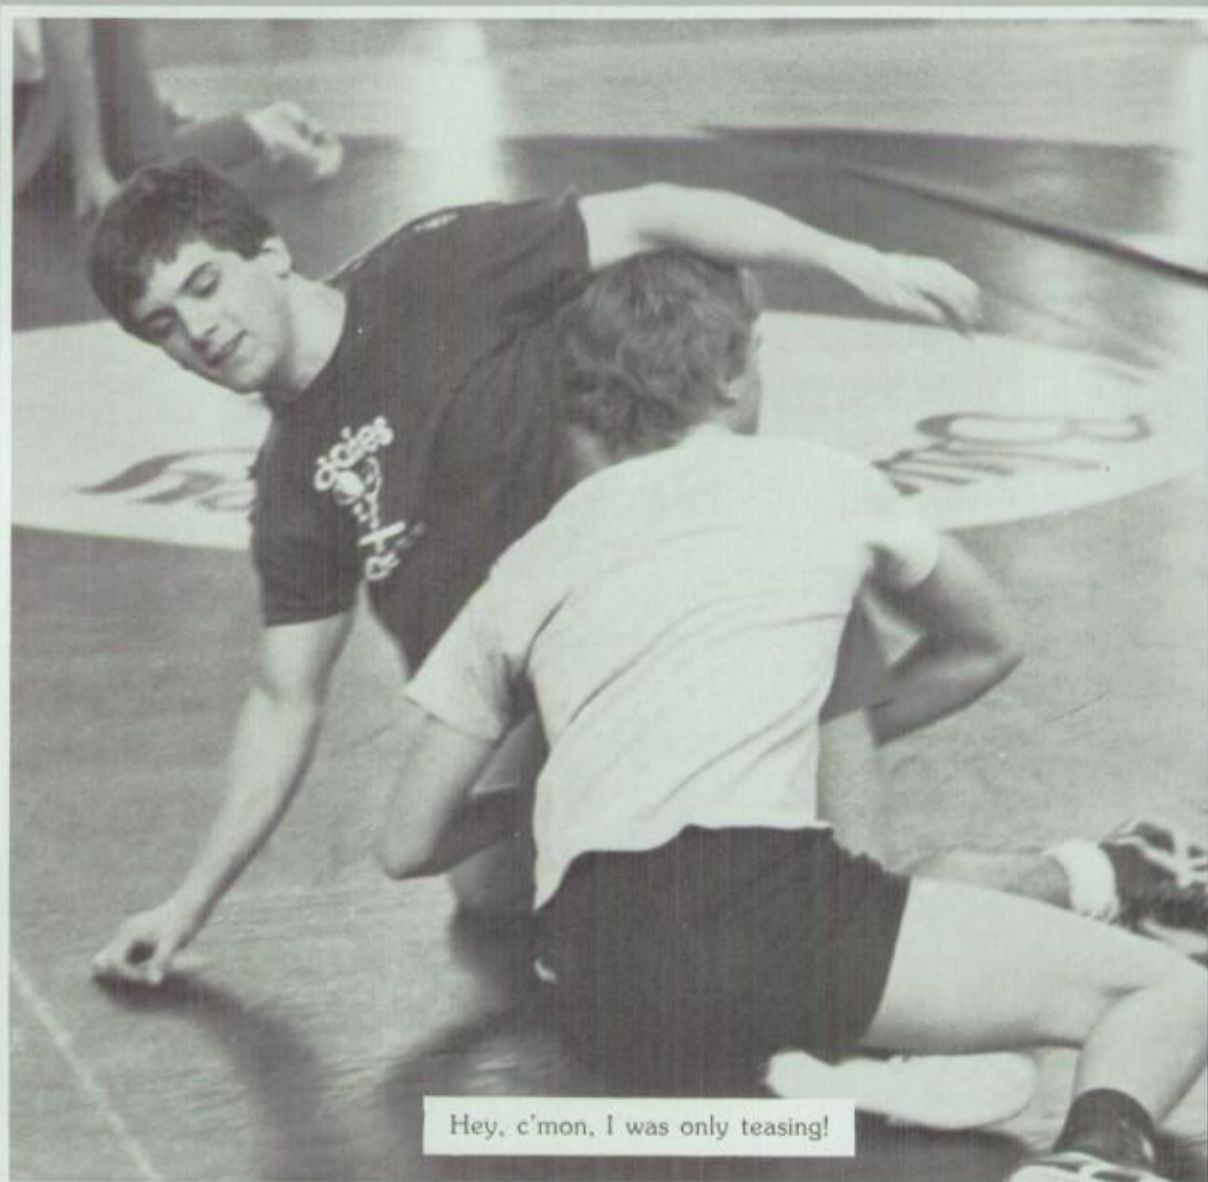

Now, it's my turn to be cowboy.

BOYS' VARSITY BASKETBALL

Boys' Basketball-On The Right Track in '85!

1985-86 brought a dynamic season for the Blue Valley Tigers Boys' Basketball team. Although they lost many of last year's starters, the experience of returning starters Dirk Katstra, forward, and Norman Denton, guard, got the team off to a good start. The team's goals for the season included capturing the EKL title and placing well in state competition. One outstanding individual achievement by a team member was when Katstra was chosen for the Springfield "All tournament" team.

VARSITY GIRLS' BASKETBALL

Girls' Basketball Has Super Season.

The Blue Valley Tigers' 1985-86 Girls' Basketball Team had an explosive season this year. Their record of 17 wins, 3 loses proved that they were still a powerful opponent. "We are doing exceptionally well this year, and I'm very proud of the girls' performance", said Head Coach Leroy Asbury. The leadership exhibited by the seniors was also evident. "Seniors Mary Deveney, Jill Liechty, Laura Weisenborn, and Kelly Wells strongly influenced the team", said Asbury. Another factor to their success was the returning starters: Mary Deveney, Jill Liechty, Danielle Taylor, and Kelly Wells.

We Keep You Smiling All Year 'Round

From Christmas presents to graduation gifts, from sundresses in summer to sweaters in autumn, Oak Park Mall is your place to shop.

It's so easy to get here, easy to park, and you always find exactly what you want for every season. When shopping is that simple, you just naturally go home happy.

By the way, while the 95th St. bridge is closed, just take Alt. 69 to the 95th St. exit and go five blocks west.

To Charline Melinda,

Laugh a little - sing a little
As you go your way!
Work a little - play a little,
Do this every day!

Give a little - take a little,
Never mind a frown -
Make your smile a welcomed thing
All around the town!

Laugh a little - love a little,
Skies are always blue!
Every cloud has a silver lining,
But it's up to you!

We are very proud of you and your accomplishments
We Love You!

K.U., please call home.

Love Mom & Dad

Why God Made Daughters
When God created daughters
He took very special care
To find the precious treasures
that would make them sweet and fair
He gave them smiles of angels,
then explored the midnight skies
And took a bit of stardust
to make bright and twinkling eyes
He fashioned them from sugar
and a little bit of spice,
He gave them sunny laughter
and everything that's nice
He smiled when He made daughters,
because He knew He had
Created Love and Happiness.
Congratulations, Mom & Dad

I will always remember the great times we
had together.

Love Dad

Congratulations.
To a loving sister who helped me walk the right
path. To a sister who was unselfish, kind and
caring. My love goes with you always.

Your Brother

Sis, Good luck at K.U. — We will miss sitting
around the tree with you.

BV Spreads In New Directions

1986 was more than just a year for Blue Valley High School. During the year the Blue Valley district grew more than ever before. It was also the end of an era for Blue Valley, the last year that BVHS was the only high school in the district. The community spirit that once supported a single high school was changed, split, when BVNHS opened in the fall of 1986. Another change in the district was the construction of a new commons and Performing Arts Center at BVHS. The new constructions allowed Blue Valley to further expand its commitment to excellence.

We must also say our farewells to the graduating class of 1986. It was a memorable four years for all of Blue Valley's seniors, and as they go out into the world, they take a little of Blue Valley with them, forever.

Blue Valley North High School

Cindy,

We have had so much fun
in the library this year! (😊)
I know the world revolves around
you tomorrow, but I will sign your
yearbook today. I hope you don't
forget "Cindy's Story." (😊)

Love your friend,

⑤ Lada Kelso ⑤

P.S. I know I should be saying in which but
this is all I had! (😊) I just wanted to say I will miss you
and your pig soon! (😊) next year.

Cindy -
Hi! Well it's been
great knowing you.
English has definitely
been different, but
exciting. We'll have
a great senior year!
87 forever
Lara

Cindy,
At night we miss it
this another year. Only one
to go. It's been a pretty
fun experience. You had an interesting
my life. On my birthday (the rest of
us found it interesting too) We'll have
a party last year at BK. We'll have to make
be a blast. We'll have to make
last year at BK our best.
Love,
Nancy

The 1986 Reflection staff expresses its gratitude to the Tiger
Print photographers and the photography club for their help in
providing pictures for the yearbook.

It is the policy of the Blue Valley yearbook, Reflec-
tion, not to list the names of those students not pictured
in the yearbook. Because of the large number of stu-
dents transferring to Blue Valley and since our book
must be published in early February in order to meet an
early May delivery date, it would be impossible to pro-
vide a comprehensive list of names.

As I slide down
The pole of Life
Your just a nother
splinter in my
BUTT!!

Love

Cindy,
Washt Orchestra
Sun? Don't answer
that question. It's
going to be differer
next year without
being able to see you
at lunch. But at least
you'll be able to see
Craig and keep him
company. Hope your
Senior year is the best
I know you'll try.
your friend,
Dael

Cindy,
It was great having
you in World Lit &
working on make-up
for Antigone. I wish
you were going to
North next year!
a great senior
year.
